TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 20/01441/FUL

DATE REGISTERED: 19th October 2020

Proposed Development and Location of Land:

**Proposed summer house in rear garden to side of bungalow.
45 Easton Way Frinton On Sea Essex CO13 9NU**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- Paragraph 8 of the National Planning Policy Framework 2019 (NPPF) sets out the overarching objectives for achieving sustainable development, one being the environmental objective which requires the planning system to contribute to protecting and enhancing our natural, built and historic environment. Paragraph 127 of the NPPF states that planning decisions should ensure that developments add to the overall quality of the area and are sympathetic to local character and history, including the surrounding built environment. Policy QL9 and QL 11 of the Tendring District Local Plan (2007) seek to ensure that all new development makes a positive contribution to the quality of the local environment and is of a suitable scale and nature appropriate to the locality. These sentiments are carried forward within Policy SPL3 of the emerging Tendring District Local Plan 2013-2033 and Beyond Publication Draft (June 2017).

The proposal is deemed to be of a size and scale which is inappropriate to the existing dwelling and surrounding area. The exposed nature of the site means that the structure would be clearly visible from the approach from both Easton Way and Rainham Way. The existing fence line would only marginally obscure the proposal, and therefore would represent a materially damaging impact on the visual amenity of the street scene. Furthermore, the proposed timber finish would be out of character with the existing dwelling and the surrounding locale. For the above reasons, it is considered that the proposal fails to make a positive contribution to the quality of the local environment contrary to the aims of the above-mentioned national and local plan policies.

Assistant Director
