Highways

1. For the existing vehicle access a 1.5 metre x 1.5 metre pedestrian visibility splay, as measured from and along the highway boundary, shall be provided on both sides of the vehicular access. Such visibility splays shall be retained free of any obstruction in perpetuity. These visibility splays must not form part of the vehicular surface of the access.

Reason: To provide adequate inter-visibility between the users of the access and pedestrians in the adjoining public highway in the interest of highway safety in accordance with policy DM1.

The proposed layout shall be provided in principal with drawing number: 01 Rev. A Proposed ground floor plan.

Reason: To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety and in accordance with Policy DM1.

2. The proposed boundary planting shall be planted a minimum of 1 metre back from the highway boundary and any visibility splay.

Reason: To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety and in accordance with Policy DM1.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.
