

WORKS TO TREES CONTROL SHEET

Application No: 21/00169/TCA TPO No: \_\_\_\_\_

Date Received: 27 January 2021 Acknowledgement letter 3 February 2021

Parish List w/e 05.02.2021 Clearance Date (24days) 01.03.2021

Description of Works: The removal of 1 Pittosporum, half of which is dead and 1 Hawthorn these are the trees that are required to be removed following on from the subsidence occurrence. The others are 5 Conifers, which are themselves dead in the middle and are unsightly and we now have concerns over any possible further subsidence.

Location: 2 Upper Second Avenue Frinton On Sea Essex

Inspection: 15.2.21 Copy sent to Parish Council 3 February 2021

Target Date: 10 March 2021

Observations:

The Pittosporum is in severe decline and does not merit retention or protection.

The Hawthorn is a small tree in reasonable condition although the contribution that it makes to the amenity of the locality is not so great that it merits formal legal protection by means of a Tree Preservation Order.

The conifer form part of a hedge which is unsightly and technically does not fall within the scope of

Recommendation conservation area controls.
