THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

- 1 The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason - To comply with the requirements of Section 91 of the Town and Country Planning Act 1990, as amended by the Planning and Compulsory Purchase Act 2004.

Such visibility splays shall be retained free of any obstruction in perpetuity. These visibility splays must not form part of the vehicular surface of the access.

Reason: To provide adequate inter-visibility between the users of the access and pedestrians in the adjoining public highway in the interest of highway safety

- 4 Prior to occupation of the development a vehicular turning facility, of a design to be

approved in writing by the Local Planning Authority shall be constructed, surfaced, and maintained free from obstruction within the site at all times for that sole purpose.

Reason: To ensure that vehicles can enter and leave the highway in a forward gear in the interest of highway safety

- 5 No unbound material shall be used in the surface treatment of the vehicular access within 6 metres of the highway boundary.

Reason: To avoid displacement of loose material onto the highway in the interests of highway safety

Reason: To ensure the removal of and to preclude the creation of unnecessary points of traffic conflict in the highway in the interests of highway safety

- 8 There shall be no discharge of surface water onto the Highway.

Reason: To prevent hazards caused by water flowing onto the highway and to avoid the formation of ice on the highway in the interest of highway safety

- 9 Any new boundary planting shall be planted a minimum of 1 metre back from the highway boundary and any visibility splay.

Reason: To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety

- 10 Prior to first occupation of the new dwelling the existing limited waiting restriction at the front of the host dwelling will need to be revoked/ amended to allow for the proposed shared access to be constructed and may require a legal and formal consultation process to be undertaken by the North Essex Parking Partnership. Any legal process would need to be completed and amendments carried out at the expense of the applicant and before the shared private access is first used by vehicular traffic.

Reason: To control the location of service vehicle movements to the site to minimize inconsiderate parking in the interests of highway safety

- 11 Notwithstanding the provisions of Article 3, Schedule 2, Part 1 of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any Order revoking and re-enacting that Order with or without modification), the window proposed serving the en-suite bathroom and the window serving the bathroom to the northern side of the dwelling shown on Drawing No. MHSB-01 shall be non opening and glazed in obscure glass and shall thereafter be permanently retained in this approved form.
