Subject: FW: Tender Exemption and Budget Virement to enable the purchase of a Hot Wash Street Cleaner from Colchester Borough Council

Dear James

Many thanks for sending the attached report, and I confirm that I am happy to make the following executive decision:-

For exemption from the Council's Procurement Rules and approval is given for virement of £35,000 from the Naming & Numbering income surplus to enable the Corporate Director (Operational Services) to purchase the "Hot Wash" Street cleaner from Colchester Borough Council for a sum of £35,000.

I note the great news of the success of the Street Naming and Numbering income, which has financed this purchase!

Kind regards

Carlo

Cllr Giancarlo Guglielmi
Deputy Leader of the Council
Cabinet Member for Finance and
Corporate Services
ECC Member for Tendring Rural West
