Subject: Liquor licence renewal - Oakmead social club application ref no 21/00184/premgr

Dear Sirs,

I would like to object against the proposed liquor licence opening times. I feel that in a residential area we do not need to have disturbance at 2.00am in the morning. I would request that the licence be given complying to standard pub hours which I believe is closing at 11.00pm.

We have suffered in the past from increased litter both alcohol and drug related and late night noise.

I truly hope that you will consider the residents of this area before granting the licence.

Many thanks

Penny Eley
