Liquor Licence Renewal for Oakmead Social Club
Application Ref No. 21/00184/PREMGR

I am writing to object to the request for the Oakmead Social Club licence to be able to serve alcohol till 2 am Friday and Saturday night and till midnight the rest of the week. It is situated on a quiet residential area and there is often a lot of noise coming from the club which is very close to residential properties. There is also a large amount of litter coming from the club.

Kind regards
