Subject: Liquor Licence Renewal - Oakmead Social Club, Application Ref No. 21/00184/PREMGR

Dear Sir

I am writing to express my concern, and to register my objection, to the application for extended licencing hours at the above Club.

I live in Alpha Road which is a quiet residential area and feel that request to keep the club open to Midnight (Sunday - Thursday) and 2.00 a.m. (Friday & Saturday) is totally unacceptable. Closing the club at 23.00 hours on all days of the week is quite late enough. The residents have, in the past, had to endure excessive noise from the club and are routinely left with litter in the road and hedgerows in the vicinity of the club.

Yours sincerely

P A Gray (Miss)
