

LIQUOR LICENCE RENEWAL -  
OAKMEAD SOCIAL CLUBS

APPLICATION, NO. 21/00184/PREMGR

I am writing regarding the  
above application and find it  
completely unacceptable in what is  
a quite residential area. It will  
also become a place that attracts  
people when the other pubs shut  
which in turn encourages drink  
driving late at night. There has  
already been several accidents  
in Point Clear late at night  
one fatal. Plus it will be  
gone 2 AM when people  
eventually leave. I sure you  
would not want it on your doorstep  
nor do we
