2. If Listed Building Consent is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for Communities and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the Council of the district, a purchase notice requiring that the Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (listed Building and conservation areas) Act 1990.
3. In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 27 of the Planning (Listed Buildings and Conservation areas) act 1990.
4. Identical rights of appeal exist if an applicant is aggrieved by the decision of the local planning authority in relation to an application made on that behalf:-

  - or
  - b) To add new conditions consequential upon any such variation or discharge.
