

Email received from Cllr Guglielmi dated 25.06.2021

Dear DebiAnne

Thank you very much for sending me the attached letter dated 25th June 2021 requesting my approval to support the B2B Career Track/Apprenticeship project.

I am delighted to concur that the funds proposed within the B2B initiative can now be used for the purpose described above. No doubt you will keep me updated with progress!

Kind regards

Carlo
