The proposal is to extend this lease and warranty until February 2022. The extension would fall in line with Clacton Leisure Centre's lease and warranty expiry date with Pulse Fitness, allowing a corporate approach to a complete Procurement and Tender process between late 2021 and early 2022. This would enable us to review the market and our gym equipment across our three main sites – Clacton, Walton and Dovercourt.

Further supporting information has been provided in the attached letter. If you agree with the extension of this lease and warranty, I would be grateful if you could sign and return the concurrence attached. I will then proceed to publish the Officer Decision.
