**RSOSC held on 15 July 2021 Minute 16 refers**

After a detailed discussion the Committee **RESOLVED:**

1. To the extent that it is not happening at present, details of the proposed schemes using S106 funds in a particular ward be advised as a routine to the local Ward Councillor(s) and consideration be given to the views expressed by the Ward Councillor(s) on the proposed scheme before and decisions are taken to implement the scheme.
2. That, for those parts of the District that are parished, the relevant Town or pParish Council be advised about S106 funds that had been secured and whether they could bid for schemes to be funded or identify schemes for officers to consider.
3. That, for those parts of the District that are un-parished, the locality descriptor should be the relevant District Ward rather than 'Clacton' so as to improve the understanding of the figures shown for that area.
4. That an annual statement be made on the amounts of monies received in S106 funds, the total sum held by the Council in S106 funds and the sums spent on schemes in that year against the common obligations of:
  - Public open space
  - Affordable Housing
