

Motion to Council pursuant to Council Procedure Rule 12
submitted by Councillor Mark Stephenson in relation to Covid-19
Memorial and Annual Day of Remembrance

“That Tendring District Council acknowledges the heartache, pain and suffering that Covid-19 has inflicted upon our residents and their families and that this Council supports the provision of a memorial to allow us all to recognise and commemorate the loss of so many loved ones.

The memorial to be situated in a form acceptable to those who have lost loved ones, be that a garden, plaque or public artwork, taking into consideration their wishes, at a suitable location, where families could gather together throughout the year at a day and time significant to them.

That this Council also considers an Annual Day of Remembrance to be established, where all members of the community could gather together for a service of Remembrance.

In addition, the commemoration would also remember all those key workers and volunteers, who continue to provide, throughout this pandemic, help and support and comfort to the bereaved in their time of need.”
