The following question has been received, on notice, from a member of the public:

### **Question**

**From Jan Vincent, to Councillor John White, Chairman of the Planning Committee:**

*“Will TDC issue a Section 215 TCPA for Bel-Air Chalet Estate, St. Osyth Beach, to make safe the extremely dangerous roads on the Holiday Park which are unusable by wheelchair users and hazardous to public and holiday makers?”*

*The roads are hidden dangers at night as all street lighting has been disconnected. The danger is compounded and hidden after rainfall as the potholes become filled with rainwater which is slow to drain as TDC Planning gave permission years ago for the natural drainage dykes to be filled in without any inspection of the works done. The potholes are so deep a person or child could drown if they fell into a pothole and were rendered unconscious in the fall. There are no pavements to avoid the danger. Two Ambulances got stuck in the roads last year causing danger to life by delay of medical treatment.”*
