## TOWN AND COUNTRY PLANNING ACT 1990

**APPLICATION NO:** 22/00810/FUL

**DATE REGISTERED:** 6th May 2022

Proposed Development and Location of Land:

**Proposed replacement of an agricultural building and glasshouses with a three bed bungalow (in lieu of Prior Approval for conversion into a dwelling subject of application 21/00152/COUNOT). Variation to planning permission granted under reference 21/01903/FUL with amended access.

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 Paragraph 108 of the National Planning Policy Framework 2021 seeks to ensure that safe and suitable access to a development site can be achieved for all users. Paragraph 111 of the Framework states that Development should only be prevented or refused on highways grounds if there would be an unacceptable impact on highway safety, or the residual cumulative impacts on the road network would be severe.

Policy SPL3 (Part B) of the Adopted Local Plan seeks to ensure that access to a new development site is practicable and the highway network will be able to safely accommodate the additional traffic the proposal will generate and provision is made for adequate vehicle and cycle parking. Adopted Local Plan Policy CP2 states proposals will not be granted planning permission if there would be an unacceptable impact on highway safety, or the residual cumulative impact on the road network would be severe.

The existing track proposed as access to the new dwelling is currently used for agricultural purposes and the dwelling would intensify this use. The applicant has failed to demonstrate adequate visibility splays from the proposed access in accordance with the speed of the road, the lack of such visibility would result in an unacceptable degree of hazard to all highway users to the detriment of highway safety and contrary to the above national and local planning policies.
