TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 21/00609/VOC

DATE REGISTERED: 25th November 2021

Proposed Development and Location of Land:

**Variation of condition 1 of reserved matters application 17/00565/DETAIL to amend tree planting in line with highways comments relating to visibility splays and distances from the highway.
Land South of Cockaynes Lane Alresford Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 Paragraph 126 of the National Planning Policy Framework states that the creation of high quality, beautiful and sustainable buildings and places is fundamental to what the planning and development process should achieve.

Policy SP7 of the Tendring District Local Plan 2013-2033 and Beyond Section 1 states all new development should respond positively to local character and context to preserve and enhance the quality of existing places and their environs, and enhance the public realm through additional landscaping that helps to create a sense of place. Policy SPL3 of the Tendring District Local Plan 2013-2033 and Beyond Section 2 states all new development should make a positive contribution to the quality of the local environment and protect or enhance local character, soft landscaping should be designed as an integral part of the development.

The proposal seeks to vary the approved landscaping plans to alter and reduce the amount of approved tree planting within the development.

Despite sustained requests for amended plans these have not been received. The submitted plans show an unacceptable reduction in tree planting to the detriment of visual amenity and the character of the approved development, contrary to the above national and local planning policies.
