TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 22/01508/DETAIL **DATE REGISTERED:** 22nd September 2022

Proposed Development and Location of Land:

Reserved matters application for the erection of 5no. detached dwellings, considering details of appearance, landscaping, layout and scale, pursuant to outline planning consent 19/01054/OUT.

Land to The rear of 185 Thorpe Road Kirby Cross

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **GRANT APPROVAL OF RESERVED MATTERS** pursuant to Outline Planning Permission No. 19/01054/OUT in accordance with the application form, supporting documents and plans submitted subject to the following conditions

1 The development hereby permitted shall be carried out in accordance with the following approved plans:

Drawing Numbers DB22003/001 (Location Plan), DB22003/005 (Block Plan & Landscaping), DB22002/101 (Plot 1), DB22002/102 (Plot 2), DB22002/103 (Plot 3), DB22002/104 (Plot 4), DB22002/105 (Plot 5), 001A (Drainage Strategy General Arrangement), 002A (Infiltration Construction Details), 003A (Collect & Clean Construction Details), and the documents titled 'Transport Statement', 'Preliminary Ecological Assessment' and 'Technical Note - Drainage Strategy'.

Reason - For the avoidance of doubt and in the interests of proper planning.

- 2 Prior to the occupation of the development the internal layout and off-street parking shall be provided in principle and accord with drawing number:
 - DB22002/005 Block plan and landscaping

Reason: To ensure that vehicles using the site access do so in a controlled manner, in the interests of highway safety.

Prior to occupation of the development a 1.5 metre x 1.5 metre pedestrian visibility splay, shall be provided on both sides of each vehicular access. Such visibility splays shall be retained free of any obstruction in perpetuity. These visibility splays must not form part of the vehicular surface of the access.

Reason: To provide adequate inter-visibility between the users of the access and pedestrians in the adjoining public highway in the interest of highway safety.

- Any new boundary planting shall be planted a minimum of 1 metre back from the highway boundary and any visibility splay and retained free of obstruction above 600mm at all times.
 - Reason: To ensure that the future outward growth of the planting does not encroach upon the highway or interfere with the passage of users of the highway, to preserve the integrity of the highway and in the interests of highway safety.
- Prior to commencement of the development, the areas within the curtilage of the site for the purpose of loading / unloading / reception and storage of building materials and manoeuvring of all vehicles, including construction traffic shall be provided clear of the highway.
 - Reason: To ensure that appropriate loading / unloading facilities are available to ensure that the highway is not obstructed during the construction period in the interest of highway safety.
- Prior to above ground works of the development hereby approved, a hard and soft landscaping scheme shall have first been submitted to and agreed in writing by the local planning authority, including details of any boundary treatment. Thereafter, the hard landscaping and boundary treatment shall be implemented in accordance with the details which may have been agreed prior to first occupation. Soft landscaping shall be implemented in accordance with the details which may have been approved in the first planting season following substantial completion of the development. Any species planted becoming diseased of dying within 3 years of planting shall be replaced to the satisfaction of the local planning authority.

Reason - In the interests of visual amenity, biodiversity enhancement and landscape protection.

The approved landscaping scheme shall be carried out during the first planting and seeding season (October - March inclusive) following the commencement of the development or in such other phased arrangement as may be agreed in writing by the local planning authority. Any trees or shrubs which, within a period of 5 years of being planted die, are removed or seriously damaged or seriously diseased shall be replaced in the next planting season with others of similar size and species, unless the Local Planning Authority agrees in writing to a variation of the previously approved details.

Reason - In order to soften and mitigate the visual impact of the development.

DATED: 17th November 2022 **SIGNED:**

John Pateman-Gee Planning Manager

Paternatice

IMPORTANT INFORMATION:

The local planning authority considers that the following policies and proposals in the development plan are relevant to the above decision:

National:

Essex County Council Car Parking Standards - Design and Good Practice

Essex Design Guide

Highways Informative

1: All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works. The applicants should be advised to contact the Development Management Team by email at development.management@essexhighways.org

- 2: On the completion of the Development, all roads, footways/paths, cycle ways, covers, gratings, fences, barriers, grass verges, trees, and any other street furniture within the Site and in the area, it covers, and any neighbouring areas affected by it, must be left in a fully functional repaired/renovated state to a standard accepted by the appropriate statutory authority.
- 3: The Highway Authority cannot accept any liability for costs associated with a developer's improvement. This includes design check safety audits, site supervision, commuted sums for maintenance and any potential claims under Part 1 and Part 2 of the Land Compensation Act 1973. To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.
- 4: Mitigating and adapting to a changing climate is a national and Essex County Council priority. The Climate Change Act 2008 (amended in 2019) commits the UK to achieving netzero by 2050. In Essex, the Essex Climate Action Commission proposed 160+recommendations for climate action. Essex County Council is working with partners to achieve specific goals by 2030, including net zero carbon development. All those active in the development sector should have regard to these goals and applicants are invited to sign up to the Essex Developers' Group Climate Charter [2022] and to view the advice contained in the Essex Design Guide. Climate Action Advice guides for residents, businesses and schools are also available.

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

<u>Standard Informative 1:</u> The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

<u>Standard Informative 2:</u> You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. A Householder Appeal Form is required, available online at https://www.gov.uk/planning-inspectorate
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice. A **Planning Appeal Form** is required, available online at https://www.gov.uk/planning-inspectorate
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within 6 months of the date of this notice. A Planning Appeal Form is required, available online at https://www.gov.uk/planning-inspectorate
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at https://www.gov.uk/planning-inspectorate.
 Please note, only the applicant possesses the right of appeal.
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. <u>Further details are on GOV.UK</u>.

ENFORCEMENT

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
