Good Afternoon Cllr Porter,

I hope this email finds you well.

We currently provide in-house vending machines at Dovercourt and Walton Leisure Centres, allowing customers to purchase a variety of snack items, cold drinks and a hot drinks machine located at Dovercourt. The prices have been in place for some time, and we are now in a position to review them.

With ever-increasing costs and a stock price increase over time, we have collectively reviewed the items we sell and outlined the proposed changes to each item we sell in the attached concurrence letter.
