- 9.2** When the business of a meeting is terminated in accordance with 9.1 above any remaining business shall stand adjourned until a date and time to be fixed by the Chairman.
- 9.3** Where 9.2 applies, given that the agenda and associated reports and papers for the original meeting have been published, the adjourned meeting can be called as soon as practicable and without necessary delay, having regard to the remaining business and venue availability. That Advisory Note will be circulated, if possible, to all Members of the Council as part of the Council Agenda Document Pack. If this is not possible, then the Advisory Note will be circulated to Members as soon as possible thereafter but in any case no later than Noon on the working day before the date of the Council meeting.

The Advisory Note will also be published on the Council's website (unless of course the Exempt Information provisions apply).

At the meeting itself, Council must have regard to the contents of the Advisory Note in making its decision on the Motion, as set out in Section 3.7 of the Members' Code of Conduct.

12.6 Consideration of the Motion at an Ordinary Meeting of the Council

At the meeting itself the Chairman will invite the Member who submitted the motion to formally move it and then to proceed to read out the text of the Motion (for the benefit of the public who are either watching proceedings from the public gallery or via the livestream). The Member who moved the motion will not be required to explain its purpose at this stage of the proceedings.

The Chairman will then ask for a seconder for the motion. If there is no seconder then the motion will be declared by the Chairman as having failed and the Chairman will immediately move onto the next business on the agenda.

In the event that the Motion is not moved at this time by the Member who gave notice thereof, due to their absence, it will be treated as withdrawn and cannot be moved without a fresh notice given under this Rule, unless the Chairman is aware of mitigating circumstances for that Member's absence and Council, having been made aware of such circumstances, decides, with the consent of the simple majority of Members present (which will have been demonstrated, without any debate, by a show of hands) to defer the Motion to the next ordinary meeting of the Council. If the Member who gave notice of the Motion considers it a matter of urgency they can nominate another Member to move the Motion at the Council Meeting by notifying the Committee Services Manager of that arrangement by no later than Noon on the day of the meeting. That nominated Member will, from that point, take "ownership" of the Motion as far as these Council Procedure Rules are concerned.

At this point in the proceedings, and in the circumstances in which one or more of the Council's Statutory Officers has stated in their Advisory Note that the Motion should not be dealt with at the meeting, the Chairman can declare that, on the advice of the statutory

officers, the Motion is either deferred until the next ordinary meeting of the Council or is referred to the relevant body or bodies, as appropriate. The Motion will thereupon stand so deferred/referred without discussion or debate. Council Procedure Rules 12.8, 12.9 and 12.10 will apply, as appropriate in the circumstances.

Otherwise, if the motion is seconded then it will be proceed to be debated in accordance with the maximum 60 minute time limit normally allocated for a Motion submitted under this Rule. This 60 minute period will commence at the point the Chairman calls on the Mover of the Motion to speak to the motion and explain its purpose and this 60 minute period will also cover any amendments to the Motion that are accepted and debated upon by Members.

In debating the Motion the provisions, as applicable, of Council Procedure Rules 16, 19, 23, 24, 25, 28 and 29 will apply, together with the principles of decision making as set out in Article 13.02 of the Council's Constitution.

12.7 Powers available in respect of the Council making a decision on the Motion at an Ordinary Meeting of the Council

- 1. If the Motion relates to a matter under the purview of the Executive, as detailed within The Local Authorities (Functions and Responsibilities) (England) Regulations 2000, as amended, then the Council legally can only make a recommendation to the Executive, or give its advice/opinion to the Executive, in relation to the Motion.**
- 2. If the Motion relates to a non-executive function that is delegated to a Committee then the Council can either make a definite conclusive and binding decision, or make a recommendation to the Committee or give its advice/opinion to the Committee, in relation to the Motion.**
- 3. The Council, through its debate, can also through the amendment provisions set out in Rule 16.5 (Amendments to Motions) delay making a decision on the Motion until a future ordinary meeting of the Council if it so wishes, as long as it makes clear its reason for doing so. Reasons for such a delay could include:-**
 - (a) a requirement for further information on the implications of the potential decision to be researched and submitted;**
 - (b) the lateness of the hour;**
 - (c) the need to hold a site visit;**
 - (d) a requirement for the attendance of an Officer and/or representative of an external organisation et cetera;**
 - (e) to enable a consultation exercise to be carried out either internally within the Council or externally;**
 - (f) to enable Political Group Leaders to informally discuss the matter;**
 - (g) to enable a public meeting or inquiry to be held; and**
 - (h) to enable the calling of a referendum (subject to the necessary financial provision being approved).**

12.8 Referred Motions – Consideration of the Motion by the Cabinet or a Committee

If the Motion is, in accordance with the provisions of Rule 12.7(3) above, formally referred to the Cabinet or a Committee for consultation, the Head of Democratic Services & Elections will ensure that the Motion is included on the agenda of the earliest practical meeting of the Cabinet/Committee. That body shall be required solely to consider such motion and to advise the Council (by no later than the second Ordinary Meeting of the Council held following the date of Council's referral) of their opinion as to whether such motion should be supported or not supported. That body will not be required to propose an alternative motion or an amended motion.

Prior to making its response the Cabinet/Committee may, following consultation with the relevant Officers, require further information to be presented to it for consideration on the implications of the proposed motion. Such a report must be considered by that body in a timely manner.

Once the Cabinet/Committee has considered the Motion it will be sent back to Council with that body's response.

12.9 Deferred Motions – Rights of Member submitting/Mover of the Motion

If the Motion has, in accordance with the provisions of Rule 12.6 above, been formally deferred until the next ordinary meeting of the Council (i.e. due to the “mitigating circumstances” provision or by the Chairman acting on the advice of the statutory officers) the Member who submitted the Motion will be made aware of this, as soon as possible, by the Committee Services Manager and also of the date of the next ordinary Council meeting.

The right of the Member submitting/mover of the Motion to speak to the motion and explain its purpose will be automatically reserved until that meeting.

12.10 Referred Motions – Rights of Mover of the Motion

If the Motion has, in accordance with the provisions of Rule 12.6 above, been formally referred to a relevant body or bodies (i.e. due to the Chairman acting on the advice of the statutory officers) the Mover of the Motion (or another Member nominated by them) will be, as a matter of courtesy, made aware by the Committee Services Manager of the date(s) of the meeting(s) of such body or bodies at which their Motion will be considered. The Mover of the Motion (or other Member nominated by them) will have the right to attend such meeting(s) to speak to the motion and explain its purpose. That Member will also be permitted to answer questions and/or provide clarification, if requested to do so by the Chairman of the meeting.

If the Motion has, in accordance with the provisions of Rule 12.7(3) above (i.e. following a debate at Council) been formally referred to the Cabinet or a Committee for consultation, the Mover of the Motion (or another Member nominated by them) will be, as a matter of courtesy, made aware by the Committee Services Manager of the date of the Cabinet/Committee meeting at which their Motion will be considered so that they can attend if they so wish.

As the purpose of the motion will have already been explained at the full Council meeting the Mover of the Motion (or another Member nominated by them) will not have any

automatic right to speak at that meeting though they will be permitted to answer questions and/or provide clarification, if requested to do so by the Chairman of the meeting.

12.11 Notification of the decision of the Council to the relevant Body

Once the Council has made its final decision on the Motion and if it is relevant and necessary to do so, the Head of Democratic Services & Elections will, at the earliest practical meeting of the Cabinet/Committee, as appropriate, formally report that decision of the Council in order that that body can note the Council's decision and consider what action, if any, that it now needs to take.

12.12 Consideration of a Motion at an Extraordinary Meeting of the Council

At an Extraordinary Meeting of the Council any Motion listed on the Agenda will be dealt with at that meeting in accordance with the provisions, as applicable, of this Rule 12 and Rules 16, 19, 23, 24, 25, 28 and 29 together with the principles of decision making as set out in Article 13.02 of the Council's Constitution.

On receipt of such a notice the Head of Democratic Services & Elections will ensure that the item is included on the agenda. Any such reference by a Member will be considered at the meeting concerned where the Committee will decide how to proceed with the reference (within the legislative requirements).

9. COUNCILLORS CALL FOR ACTION

The Councillors Call for Action is an additional means for Councillors to raise issues of local community concern, for consideration by the Council's overview and scrutiny function, on behalf of residents. A Councillors Call for Action should only be raised where other means of resolving the matter have been exhausted.

- (a) Any Member of the Council may raise a Councillors Call for Action, which should be sent to the Council's Head of Democratic Services & Elections.
- (b) Once the Councillors Call for Action is received, the matter must be considered by the relevant Overview and Scrutiny Committee, whose terms of reference the matter falls within and they must endeavour to consider the matter within a reasonable timescale. Where the matter falls within the terms of reference of more than one Committee, the Chairmen of the Committees will determine the most appropriate Committee to deal with the matter, except where the matter relates to a crime and disorder issue where all such matters must be considered by the Overview and Scrutiny Committee responsible for crime and disorder matters.
- (c) If a Councillors Call for Action is deemed not to be valid, a letter will be sent to the Member concerned informing them of the reasons for this. Where the issue has been deemed not to be valid because other methods of resolution have not been exhausted,

the Call for Action may be re-submitted, if necessary, once the Councillor concerned has pursued the matter further.

(viii) The business otherwise set out on the agenda for the meeting.

(b) Where an Overview and Scrutiny Committee undertakes researched and evidence reviews on a specific topic, on a task and finish basis (e.g. with a view to policy development), the relevant Committee may also ask people to attend to give evidence at the Task and Finish Group meetings that are to be conducted in accordance with the following principles:

(i) that the terms and reference of any Task and Finish Group must be agreed by the relevant Overview and Scrutiny Committee prior to its commencement;

(ii) consideration being given to the Council's priorities and resources when making researched and evidenced recommendations and referral decisions as an outcome of the scrutiny;

(iii) that the reviews be conducted fairly and all members of the Task and Finish Group be given the opportunity to ask questions of attendees, and to contribute and speak;

(iv) that those assisting the Task and Finish Group by giving evidence be treated with respect and courtesy; and

(v) that the review by the Task and Finish Group be conducted so as to maximise the efficiency of the investigation or analysis.

(c) Following any Task and Finish review, the Committee shall prepare a report, for submission to the Cabinet and/or Council as appropriate and shall make its report and findings public.

11. POLICY REVIEW AND DEVELOPMENT

(a) The role of the Overview and Scrutiny Committees in relation to the development of the Council's Budget and Policy Framework is set out in detail in the Budget and Policy Framework Procedure Rules within this Constitution.

(b) In relation to the development of the Council's approach to other matters not forming part of its Budget and Policy Framework, each Overview and Scrutiny Committee may make proposals or act as consultee for the Cabinet for developments in so far as they relate to matters within their terms of reference.

-
- (c) Each Overview and Scrutiny Committee where relevant to their terms of reference, may ~~investigate~~ **undertake enquiries into** the available options for future direction in policy development and may appoint advisers and assessors to assist them in this process. **Enquiries may involve Councillors going** ~~They may go~~ on site visits, conducting public surveys, holding public meetings, commissioning research and doing all other things that they reasonably consider necessary to inform their deliberations. They may ask witnesses to attend to address them on any matter under consideration and may pay to any advisers, assessors and witnesses a reasonable fee and expenses for doing so **(subject to the appropriate budget being available)**.
- (d) **To assist Members of Overview and Scrutiny Committees to develop appropriate approaches to individual enquiries (and support officers in their role for individual enquiries), the Head of Democratic Services & Elections may (from time to time) issue practice guides on such approaches.**
- (e) Where resources permit, each Overview and Scrutiny Committee may establish, task and finish groups to undertake the matters in (c) above and to gather the evidence in the ways set out. Likewise, **enquiries may also be conducted through informal meetings of the Members of the Committee, scrutiny days and off agenda briefings.** Joint task and finish groups (which may be styled panels) may be formed, where necessary, by two Overview and Scrutiny Committees in agreement to examine subjects that are, in part, in both of the terms of reference for those Committees.

Membership of task and finish groups will not be limited to members of the relevant Overview and Scrutiny Committee (s). While they are not subject to the political balance rules that apply to formal Committees/Sub-Committees of the Council, from among the nominees for a particular task and finish group regard will be given to the broad overall political balance of the Council when determining the membership of the group.

- (f) **All enquiries undertaken away from a formal meeting of the relevant Overview and Scrutiny Committee will conclude with a final report to that Overview and Scrutiny Committee. It will be for that Committee to determine the finalised report and recommendations arising from the enquiry. An enquiry can identify the need for an interim report, ahead of the final report, and this too will be subject to consideration by the relevant Overview and Scrutiny Committee.**

If Full Council has directly requested a report on that matter then the final report will be submitted to Full Council for its determination.

12. REPORTS FROM AN OVERVIEW AND SCRUTINY COMMITTEE

- (a) Specific evidence based reports from an Overview and Scrutiny Committee that contain recommendations on proposals for development, will be submitted formally for

consideration by Cabinet **(or to Full Council directly (if appropriate) from the "crime and disorder committee" or otherwise if Full Council has directly requested a report on that matter)**. If the proposals would involve a change to the existing Budget and/or Policy Framework, the Cabinet will consider the matter and make a recommendation to Full Council. The report will be drafted by Officers and agreed by the relevant Chairman in respect of the proposals from the relevant Overview and Scrutiny Committee.

~~(b) If an Overview and Scrutiny Committee cannot agree on one single final report to the Cabinet or Council, the report may refer to the contrary views of a Member, if the Member concerned specifically requests this.~~

(b) The Cabinet shall consider the report from the relevant Overview and Scrutiny Committee at the next meeting of the Cabinet for which the agenda has not yet been published.

(c) In addition to making recommendations on specific proposals for development, the Overview and Scrutiny Committees may make more general comments/suggestions regarding matters they have considered, which they would like the relevant Cabinet Member to consider and take appropriate action. In such instances, a copy of the relevant minute will be sent to the Cabinet Member.

(d) Where specific evidence-based recommendations on proposals for development from the Overview and Scrutiny Committees relate to matters that are the responsibility of Partner Authorities and organisations, notice in writing by way of a formal report will be provided to the relevant Partner Authority or organisation requiring them to have regard to the recommendations. The Partner or organisation will be requested to respond to the relevant Committee within two calendar months setting out action, if any, that is to be taken in response to the recommendations.

~~(f) On occasions, matters may be referred to Overview and Scrutiny from Council. On such occasions, the Chairman of the relevant Overview and Scrutiny Committee will respond to the request, be this via an Overview and Scrutiny Committee or a Task and Finish Review Group. Upon concluding the necessary work, the matter and any recommendations made by the Overview and Scrutiny Committee will be referred to the Cabinet for consideration. The matter, along with the recommendations of the Overview and Scrutiny Committee, and any comments or recommendations of the Cabinet shall be referred back to Full Council for consideration.~~

13. **SCRUTINY OF PROPOSED AND RECENT DECISIONS**

The Overview and Scrutiny Committees will, at their ordinary meetings, review the new and/or amended forthcoming decisions relevant to their terms of reference. If they wish to enquire into any forthcoming decisions, such an enquiry might consist of questioning members of the Cabinet and Officers, and seeking the views of local stakeholders and/or other interested parties. The

Cabinet will take into account any recommendations expressed by the relevant Overview and Scrutiny Committees when determining the final decision and record their response within any report and/or decision.

Matters may only be raised on the forthcoming decisions at Committee meetings where the Member has notified the Head of Democratic Services & Elections in writing (or by personal email) of the question they wish to ask, no later than Midday, two working days before the day of the meeting.

The Overview and Scrutiny Committee shall also be provided with a list of decisions by Cabinet/an individual Portfolio Holder taken since the Committee's last ordinary meeting and which that previous meeting had not itself had notice of in the record of forthcoming decisions. As such, if after preparation of the agenda for an ordinary meeting of an Overview and Scrutiny Committee notice of a proposed decision is given and the decision then is taken prior to the following ordinary meeting of the Committee, that second meeting of the Committee will be advised of the decision. This list is for the purpose of completeness and to inform the work programme discussion of the Committee. Other than informing this process the Committee may only note the list.

14. RIGHTS OF COMMITTEE MEMBERS TO DOCUMENTS

- (a) In addition to their rights as Councillors, members of the Overview and Scrutiny Committees in fulfilling their functions have the right to documents, and as provided for in Access to Information Procedure 20 (Rights of Overview and Scrutiny Members).
- (b) This would not prevent more detailed liaison between the Cabinet and any Overview and Scrutiny Committee as appropriate.

15. MEMBERS AND OFFICERS GIVING ACCOUNT

- (a) It shall be for the relevant Management Team member to determine which Officers attend to provide advice to Overview and Scrutiny Committees, subject to each Committee being able to supplement this as thought necessary through (b), (c) and (d) below: However, the Chief Executive, Chief Financial Officer and Monitoring Officer have the right to attend, speak on an item of business, provide representations and present a report to discharge their statutory and constitutional duties whenever necessary. In such instances, the Overview and Scrutiny Committee will give due regard of the relevant advice provided. The decision and minutes of the meeting will record the advice, how it was taken into account and reasons for any departure.
- (b) Any Overview and Scrutiny Committee may scrutinise and review decisions made or action taken in connection with the discharge of any Council functions. As well as reviewing documentation, in fulfilling the Overview and Scrutiny role, it may require any Cabinet Member, or any Senior Officer to attend before it to explain in relation to matters within their remit:

-
- (i) any particular decision or series of decisions (excluding decisions made **as a consequence of a hearing/decision on an application** by the Planning, Licensing and Registration, Audit, Human Resources and Council Tax or Standards Committees or Sub-Committees/Panels of those Committees); and/or
 - (ii) the extent to which the actions taken implement Council policy.
- (c) Where any Cabinet Member or Senior Officer is required to attend a meeting of the relevant Overview and Scrutiny Committee, at least seven working days' notice of the meeting at which they are required to attend shall be given. The notice will state the nature of the item on which they are required to attend to give account and whether any papers are required to be produced for the relevant Committee. Where the account to be given to the Committee will require production of a report, then the Member or Officer concerned will be given sufficient notice to allow for the preparation of that document.
 - (d) Where, in exceptional circumstances, the Cabinet Member or Senior Officer is unable to attend on the required date, the Chairman of the relevant Committee, shall, in consultation with the Member or Officer, arrange a substitute or an alternative date for attendance.
 - (e) Participation by any Cabinet Member(s) in the general debate of the Overview and Scrutiny Committees will be at the discretion of the relevant Chairman (this rule does not apply when the Committee is considering a call-in).
 - (f) In this paragraph, reference to an Overview and Scrutiny Committee includes enquiries undertaken through informal meeting of Members of the Committee, task and finish groups, scrutiny days and off agenda briefings etc.**

16. ATTENDANCE BY OTHERS

Each Overview and Scrutiny Committee may, in so far as it relates to matters within their terms of reference, invite people other than those referred to in paragraph 15 above to address them, discuss issues of local concern and/or answer questions. It may for example wish to hear from residents, stakeholders and Members and Officers in other parts of the public sector and may invite such people to attend. Attendance by those invited is entirely optional but encouraged in the spirit of partnership working and community engagement.

All such invitations will be made through the Head of Democratic Services & Elections, in his capacity as the Council's designated Scrutiny Officer (Article 12 of the Constitution), so that a consistent and co-ordinated approach to invitations can be maintained. All such requests from individual Members shall be referenced to the Head of Democratic Services & Elections. This approach shall be followed in respect of less formal overview and scrutiny enquiries (such as through task and finish groups).

17. CALL-IN

(Cream)

(April 2022) Part 5.26

When a decision is made by the Cabinet, or an individual member of the Cabinet, the decision is published, normally within five working days of being made. The Chairman of the relevant Overview and Scrutiny Committee will be sent copies of the records of all such decisions within the same timescale, by the person responsible for publishing the decision. Decisions will also be sent to all Members.

That notice will include the date on which it is published and will specify that the decision will come into force, and may then be implemented, on the expiry of five working days after the publication of the decision, unless the decision is called-in.

- (a) The rules applying to call-in are:
- (i) All executive decisions taken at Cabinet meetings, or by individual Cabinet Members or by Officers (who are making a Key Decision as defined in Article 13.03), may be called-in, subject to the exceptions outlined in Procedure Rule 18;
 - (ii) Prior to holding a call-in, the callers-in are expected to attempt to resolve the matter through informal mediation, together with the relevant Cabinet Member and/or the Leader of the Council, if appropriate to do so;
 - (iii) The Committee Services Manager, will process call-in notices received from:
 - a. The Chairman of the relevant Overview and Scrutiny Committee; or
 - b. Three Non-Cabinet Members of the Council.
- All valid call-in notices will be referred to the relevant Overview and Scrutiny Committee for determination and the decision-maker will be notified of the call-in.
- (iv) A notice of call-in must be made on the appropriate prescribed form or email (so long as the email addresses the relevant information required) and must be received within five working days of the date of publication of the decision. Use of the prescribed form is encouraged, and should be completed in full, with reference to the criteria for submitting call-in requests and stating the reasons why the issue needs to be scrutinised.
 - (v) Individual decisions taken by Non-Executive Committees (Planning, Licensing, Standards and Audit Committees) cannot be the subject of call-in; and
 - (vi) Any decision can only be called-in once.
- (b) Those seeking to call-in a decision shall be required to state their reasons, in accordance with the criteria set, in the call-in notice form based on one or more of the following seven assessment criteria. These seven criteria are as follows:

-
- (i) The decision-maker has failed to consult relevant people, or bodies, in contravention of defined Council policies or procedures.
 - (ii) The decision is contrary to the Council's Budget or Policy Framework.
 - (iii) The decision is not consistent with Council policy.
 - (iv) The decision-maker did not take into account relevant considerations or other material factors and therefore, the decision is unreasonable.
 - (v) The decision is contrary to a previously agreed decision made in Full Council, which has not been superseded by a subsequent decision.
 - (vi) The decision is inconsistent with a previous Overview and Scrutiny recommendation that has been accepted by Cabinet or Council and that recommendation has not been superseded by a subsequent decision.
 - (vii) The decision was not taken in accordance with the principles set out in Article 13 (Decision-Making) of the Constitution.

(c) **Mediation Process**

- (i) Those seeking to call-in a decision shall state, when providing their reasons in the call-in notice, whether they wish to enter into mediation with the relevant Cabinet Member(s) and if so, what element of the decision and/or further information would they wish to discuss as part of the mediation.
- (ii) Once those seeking the call-in have provided this information, the relevant Cabinet Member(s) must respond and confirm whether they wish to engage with the mediation process.
- (iii) Upon confirmation that the parties wish to mediate, Committee Services will set up a mediation, at which Officer(s) with knowledge of the background to the decision can attend to assist with providing or clarifying any information.
- (iv) The mediation meeting must be held no later than three working days before the date of any meeting arranged to allow consideration of the call-in by the relevant Overview and Scrutiny Committee.
- (v) The Council's Monitoring Officer and/or Section 151 Officer (or their appointed deputies) may attend the mediation meeting at their individual discretion.
- (vi) The Officer from Committee Services attending the mediation, will within 24 hours, produce a note for circulation to all parties to the meeting for approval. That note must include any and all assurances given by, or agreements reached with the Cabinet Member(s).
- (vii) Once those assurances or agreements are subsequently confirmed as being acceptable by all parties in writing then the call-in will be treated as having been dealt with and any further required action in relation to the decision will be undertaken in accordance with the Council's Constitution.

The Mediation Process does not preclude the relevant Cabinet Member(s), upon being made aware of the call-in and the reasons for it, making an immediate, unilateral undertaking to amend or rescind their decision or undertake any other appropriate action. Committee Services will inform the callers-in of such unilateral undertaking and ask if they are satisfied by that undertaking. If the callers-in confirm the undertaking as being acceptable to them in writing then the call-in will be treated as having been dealt with and any further required action in relation to the decision will be undertaken in accordance with the Council's Constitution.

- (d) The submission of a call-in notice shall have the effect of suspending the implementation of the decision pending consideration of the matter by the relevant Overview and Scrutiny Committee, who must meet to consider the matter within 15 working days from the date following receipt of the call-in notice.

If the relevant Committee does not meet within this period, the decision shall take effect on the expiry of the 15 working day period. The Chairman of the relevant Overview and Scrutiny Committee is under an obligation to ensure that the meeting is held within 15 days.

If the relevant Overview and Scrutiny Committee has already commented or made recommendations on the specific matter which has been called-in prior to the decision being made then it will be deemed to be pre-determined on the matter and the call-in will be considered by another Overview and Scrutiny Committee.

- (e) At the meeting to consider the call-in notice, the Overview and Scrutiny Committee shall limit its consideration to the reasons stated in the call-in notice.
- (i) The layout of the meeting will provide separate tables for both the callers-in and the relevant Cabinet Member to sit at for the item of the call-in.
 - (ii) Stage One of the meeting – the Councillor(s) requesting the call-in shall attend and explain their objections to the decision and the reasons for the call-in against the stated criteria.
 - (iii) Stage Two – the decision-maker (relevant Cabinet Member and relevant officer) shall establish the reasons behind the decision and can determine whether it should be referred back to the Cabinet Member for consideration.
 - (iv) Stage Three – Questions can be asked by:
 - a. The callers-in;
 - b. The relevant Cabinet Member or relevant Officer; and
 - c. The Committee.

All questions will be at the discretion of the Chairman, taking account of relevance to the subject matter.

- (f) It should be noted that, although a decision may be deemed to meet the criteria for call-in, this does not automatically mean the matter should be referred back to the decision-maker. There may be compelling reasons for the decision being made and all evidence should be heard before determining what action should be taken.
- (h) Participation in the general debate will not be permitted but the callers-in and relevant Cabinet Member may answer questions or points of clarification arising through the debate, at the discretion of the relevant Chairman.
- (i) On considering the matter, the Committee will decide whether or not to ask the decision-maker to reconsider its decision.
- (j) If, having had regard to the advice of the Monitoring Officer, which will be summarised within the Report, the Committee considers the executive decision is contrary to the Budget or Policy Framework; the Committee may refer the matter to the next practicable meeting of the Council, subject to the provisions of Council Procedure Rules.
- (k) If the relevant Overview and Scrutiny Committee decides to ask the decision-maker to reconsider their decision, the decision-maker shall be required to do so within 15 working days following the meeting of the relevant Overview and Scrutiny Committee, unless the decision maker was an Officer in which case it will be referred back to the Leader of the Council or relevant Portfolio Holder for consideration. In that circumstance the Leader of the Council or relevant Portfolio Holder shall be required to reconsider the decision within 15 working days.
- (l) If the Overview and Scrutiny Committee decides that it does not wish to refer the matter back to the decision-maker or to Council, the decision shall be confirmed and take effect immediately following the meeting of the Committee.
- (m) If the matter is referred to Council, who do not object to the decision, the subject of call-in, no further action is necessary and the decision will be effective on the date of the Council meeting. If Council does object, it only has authority to make decisions where it is considered contrary to the Budget and Policy Framework. The Council must refer any decision relating to Cabinet Functions, to which it objects, back to the decision-maker, together with the Council's views on the decision. The decision-maker shall, within a further 15 working days, choose whether to amend the decision or not before reaching a final decision and implementing it.
- (n) **Decisions referred back to the Decision Maker**

The comments and views provided by Council or the relevant Overview and Scrutiny Committee when referring a decision back for reconsideration shall be final and no further representations shall be made to the decision-maker.

The decision-maker will send a report to the relevant Overview and Scrutiny Committee, once a decision has been reconsidered, and that report should include the reason why

the decision-maker has either reconfirmed the original decision or why the decision has changed.

(o) **Withdrawal of a Call-in**

A request to call-in a decision may be withdrawn in writing (or by personal email) at any time by one of the Members making the request.

18. EXCEPTIONS TO CALL-IN

The call-in procedure set out above shall not apply in respect of Cabinet decisions regarding the following:

(i) Urgent Decisions

A decision will be urgent if any delay likely to be caused by the call-in process would seriously prejudice the Council's or the public interests. The record of the decision, and notice by which it is made public, shall state whether in the opinion of the decision-making person, or body, the decision is an urgent one and why, and therefore not subject to call-in.

The Chairman of the relevant Overview and Scrutiny Committee must agree that the proposed decision is reasonable in all its circumstances and that it should be treated as a matter of urgency. In the absence of the Chairman, the Vice-Chairman's consent shall be required. In the absence of both, the Head of Paid Service or his/her nominee's consent shall be required.

Decisions taken as a matter of urgency must be reported by the Leader to the next practicable ordinary meeting of the Council, together with the reasons for urgency.

(ii) Other Exceptions

- (a) "Provisional" or "in principle" decisions where the issue is to be referred to an Overview and Scrutiny Committee for comment.
- (b) Recommendations from Cabinet to Council.
- (c) Decisions by the Cabinet where the issue has been referred to them by the Council or an Overview and Scrutiny Committee for their view or comment shall not be subject to call-in.
- (d) Unless the decision has taken into account new material considerations arising since the original consultation with the Council or an Overview and Scrutiny Committee a decision by the Cabinet in response to such consultation shall not be subject to call-in.
- (e) Where Full Council has delegated to the Cabinet the ability to approve additional information in respect of the Corporate Plan to ensure that statutory publishing deadlines are met, such decisions shall be construed as urgent for the purposes of Rule 18(i) above. In such circumstances the Chairman of the

relevant Committee, or other Chairman or Vice-Chairman so authorised to act in his absence, will only be required to agree that the proposed decision is reasonable in all the circumstances.

- (iii) The operation of the provisions relating to call-in and urgency shall be monitored in accordance with Article 15 of this Constitution and a report submitted to Council with proposals for review if necessary.

A.2 APPENDIX J – FINANCIAL PROCEDURE RULES

6.3 Virements

6.3.1 A virement, unlike a supplementary estimate, will not increase the Council's overall net expenditure. However to ensure that the budget, functions and service levels approved by Council are not compromised virements can only be undertaken under the following conditions.

6.3.2 Virement rules do not need to be followed in the following circumstances but a scheme will still need to be approved including agreement of what is to be delivered:-

- (a) Where expenditure is being funded entirely by income received under section 106 agreements and that income has been received and accounted for in the current financial year and where that expenditure is in accordance with the terms of the section 106 agreement. In these circumstances the Chief Financial Officer must agree the expenditure, and the financing.
- (b) For expenditure where the Council receives full funding from an external source for a specified project and there are no additional revenue costs to the Council in either the current financial year or future financial years. In these circumstances the Chief Financial Officer must agree the expenditure and the financing.

If there are additional costs to the Council then that expenditure must be financed in accordance with these Financial Procedure Rules.

- (c) Subject to agreement of the Chief Financial Officer:
 - (i) Where a decision requires an amendment to the budgetary analysis within the Council's financial information system in order that the Council's accounts can properly reflect the financial transactions of that decision.
 - (ii) Where the budgetary analysis within the Council's financial information system need to be amended in order to comply with required accounting standards or to properly reflect the costs of an activity or function.

(iii) If not subject to any separate delegation, where a budget has been established via an earlier decision of Cabinet / Full Council, any subsequent itemised expenditure from that budget (rather than a transfer between budget headings which would require a virement), in such circumstances, an Officer decision will be required following consultation with the relevant Portfolio Holder.

A.2 APPENDIX K

SECTION 1 – GENERAL REQUIREMENTS**1.1 Before undertaking any procurement, Departments should satisfy themselves that:**

- The works, goods or services are required and a need can be demonstrated
- There are no reasonable alternatives e.g. sharing or utilising spare capacity/inventories elsewhere within the Council
- **They are aware of the current statutory contract value thresholds in accordance with the Public Contract Regulations 2015 (as amended) as shown on PING**
- Where relevant, they have considered the requirements of the Public Services (Social Value) Act 2012 and have recorded/evidenced the outcomes against the associated requirements:-
 - ❖ *how what is proposed to be procured might improve the economic, social and environmental well-being of the relevant area*
 - ❖ *how, in conducting the process of procurement, it might act with a view to securing that improvement.*

Procurement Procedure Rules apply to the procurement of ALL goods, works or services. The Council's approved computerised ordering system will be used for all procurement, except where otherwise detailed within these Procurement Procedure Rules.

Procurement can only take place where budgetary provision is available to fund the goods, works or services required (see Financial Procedure Rules).

Where the Council contracts with a third party (who is not an officer of this Council) to supervise a contract on its behalf, the Corporate Director/Head of Department entering into that contract will be required to ensure that the third party complies with the requirements of these Procurement Procedure Rules.

Where the Council enters into or administers a contract either as an agent, or on behalf of another public body the Council's Procurement Procedure Rules will apply unless written instructions have been received by the Council to the contrary.

These Procurement Procedure Rules will not apply where statute or subordinate legislation prescribes otherwise.

Delegation relating to the engagement of consultancy services is set out separately within the "Common to all Portfolio Holders" section of the Constitution. However, for completeness, the Corporate Directors/Heads of Department only have delegated authority for the engagement of consultancy services or specialist professional advice up to the value of £15,000 and procurement rules must be followed. For schemes where fees are expected to exceed £15,000 consultation with the Portfolio Holder or Committee Chairman is required.

Procurement within the Council is co-ordinated by ~~Finance, Benefits and Revenue~~ **Governance Services** and in all cases where catalogues or other pre-negotiated approaches are not used, then consultation with the ~~Finance, Benefits and Revenue~~ **Governance Services** should be undertaken to identify potential alternative options or additional procurement opportunities.

Where building works form part of the procurement, then it is expected that Departments will discuss their requirements with the internal surveyor as appropriate.

1.2 Use of Local Suppliers

All Procurement should be in line with the Council's Procurement Strategy which includes the recognition of the use of local suppliers and providing a fair basis for them to compete for the provision of goods, works and services required by the Council.

SECTION 2 – EXEMPTION FROM PROCUREMENT RULES

- 2.1 The Corporate Directors/Heads of Department shall be exempt from the need to obtain competitive quotations/prices where any of the following circumstances apply:-
- (a) The goods or services are procured from an in-house service
 - (b) The goods are proprietary items of which there is only one supplier, or are sold by all suppliers at a fixed price

-
- (c) The matter is one of urgency as determined by the appropriate Corporate Director/Head of Department following consultation with the responsible Portfolio Holder or the Leader of the Council.
 - (d) The contractor or supplier is specified for works to this Council for which an external client is making payment.
 - (e) Where the work is of a specialist nature and the Corporate Director/Head of Department can demonstrate that it is not possible to obtain more than one quotation or tender.
 - (f) For the engagement of Counsel by the Assistant Director (Governance).
 - (g) Where a partnership arrangement has been entered into with a contractor or a supplier as a result of competitive tendering, and the proposed procurement is within or related to the documented scope of that partnership arrangement. In such cases the Corporate Director/Head of Department must be able to demonstrate that the proposed procurement through such a partnership arrangement is advantageous to the Council (e.g. continuity of service or product supply, or extension of existing arrangements). The documentation will be issued will take the form of a contract variation as determined in the partnership contract and/or via the Official Ordering rules or if appropriate the documentation to be issued will be as required by the Procurement Procedure Rules for the value of the procurement. *(EU limits must be observed to ensure no thresholds are exceeded)*.
 - (h) For purchases from petty cash.

In all cases where an exemption is applied the Corporate Director/Head of Department shall maintain a record to evidence this.

2.2 Further exemption from Procurement Procedure Rules may be sought where a Head of Department can demonstrate that exemption is justified by special circumstances.

- (a) Where no specific exemption is provided above:
 - Where the value of the contract or procurement is estimated to be less than £50,000 exemption may be granted by the Chief Financial Officer in consultation with the Corporate Finance & Governance Portfolio Holder. **The procuring service must publish an Officer Decision to record this.**
 - Where the total value of the contract, or procurement, is estimated to be between £50,000 and £250,000 the Corporate Finance & Governance Portfolio Holder may, on the recommendation of the Chief Financial Officer, grant exemption. In such cases a formal Portfolio Holder decision must be made.
 - Where the total contract, or procurement, is estimated to exceed £250,000, the Cabinet, or a Committee may, on the recommendation of the Chief Financial Officer, grant exemption.

In such cases a record of the exemption must be made in the minutes of the Cabinet, or Committee.

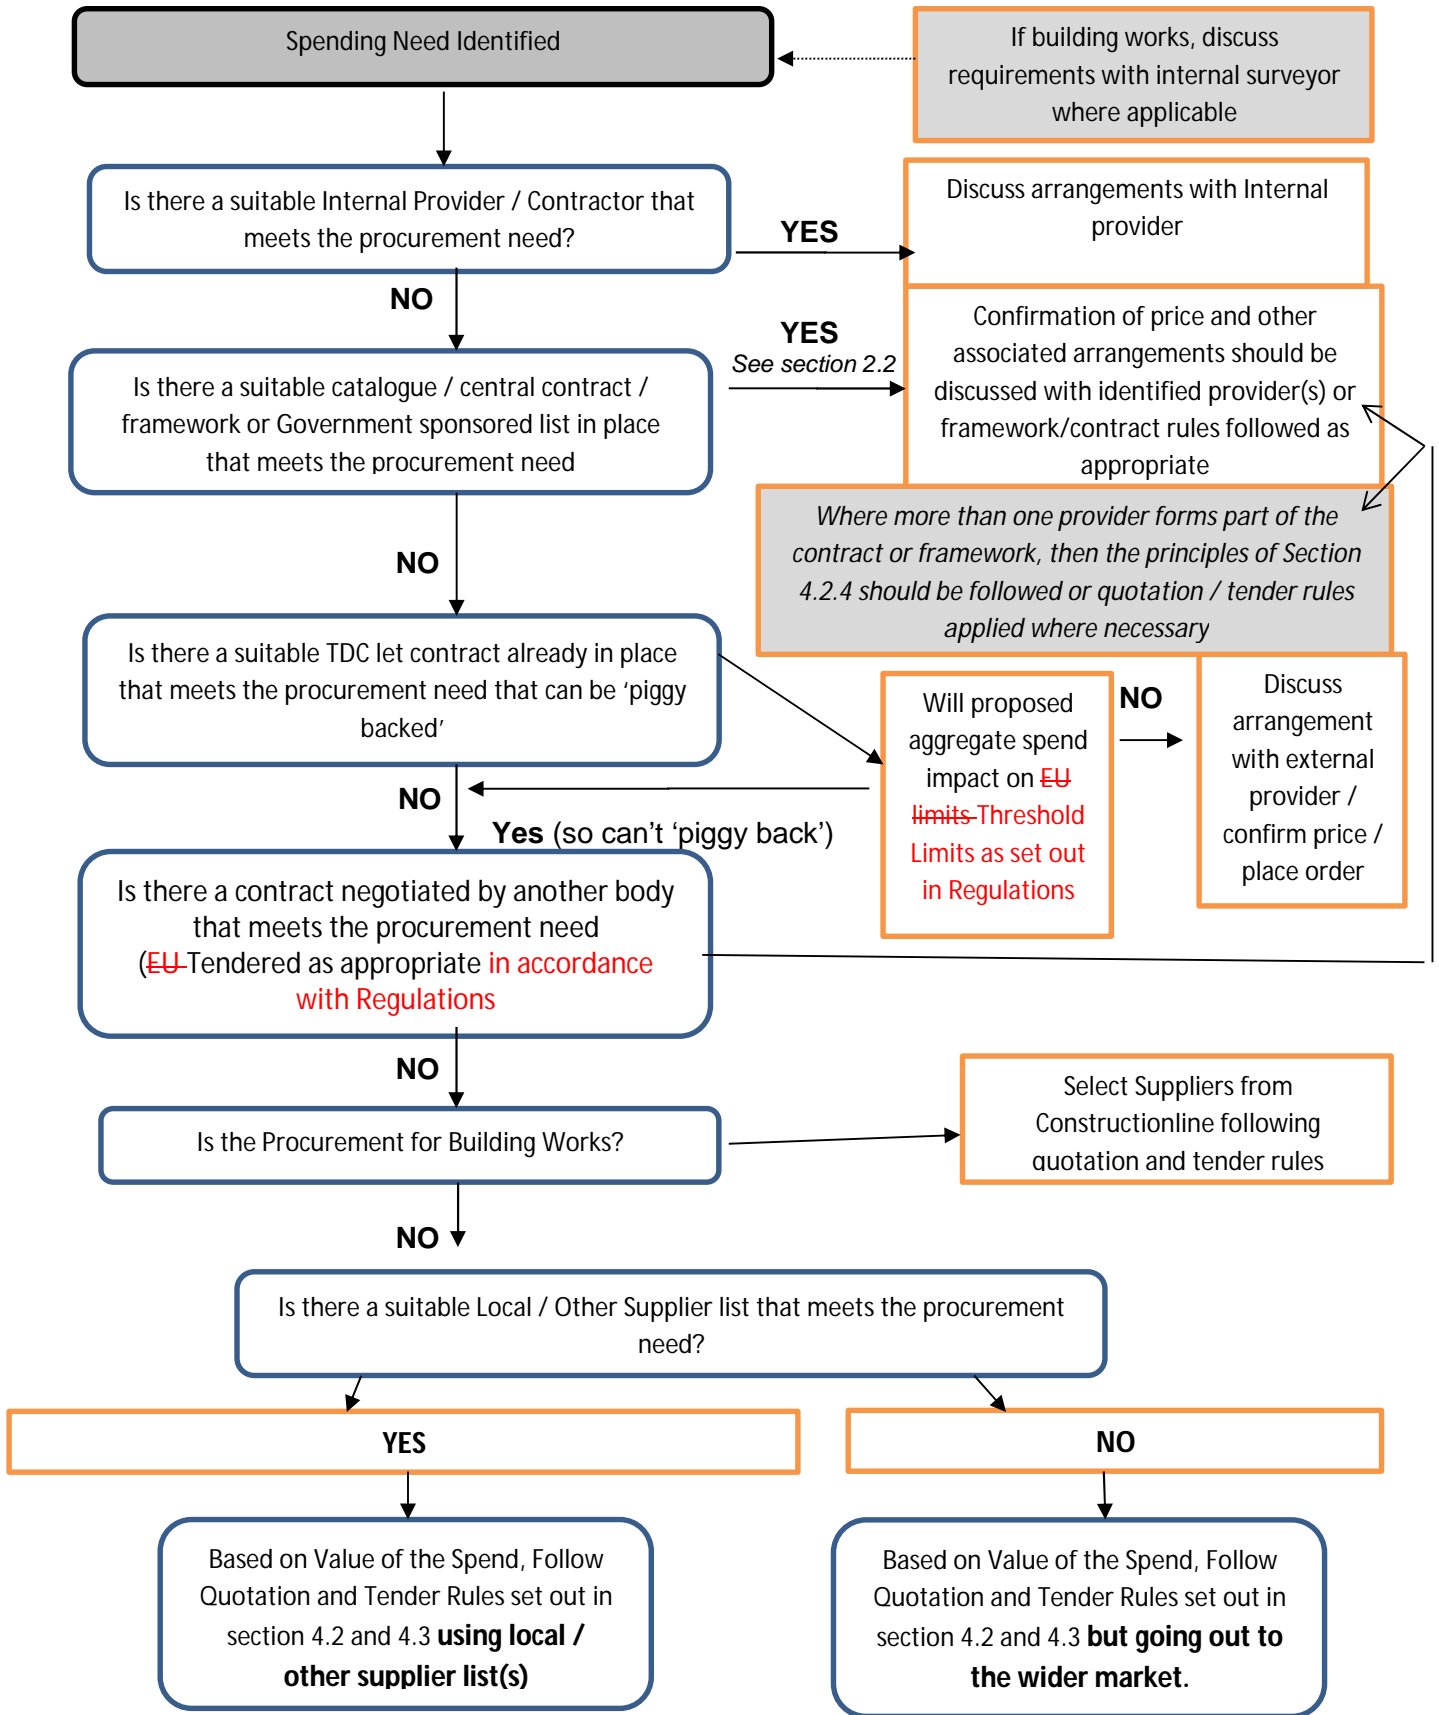

2.3 Alternative/Indirect Service Delivery

Where the Council seeks to implement alternative delivery options, for whole or parts of services, those procurements will be achieved in accordance with the Council's Procurement Strategy. Such procurements may not necessarily be able to be undertaken within Procurement Procedure Rules given the number and combination of different procurement routes and processes that may be applicable, but must:-

- (i) Comply with all relevant statutory provisions including European Procurement Directives.
- (ii) Follow a documented process determined by the responsible Corporate Director/Head of Department, the Chief Financial Officer and the Assistant Director (Governance), and agreed by Management Team and the Cabinet, in advance of the process. The process must demonstrate compliance with the principals of openness and accountability.
- (iii) Be capable of providing clear probity trails, particularly in respect of the opening and evaluation of any associated bids or tenders.
- (iv) Comply with any Procurement Procedure Rules that remain applicable, or offer alternatives that meet the requirements of ~~the Chief Financial Officer and~~ the Assistant Director (Governance).

SECTION 3 – THE PROCUREMENT FRAMEWORK

- 3.1 All procurement is expected to following the following process/framework taking each step in sequence noting that the overall value of procurement is not the initial consideration. ~~Finance, Benefits and Revenue~~ **Governance** Services should be consulted at the relevant stage of the process as necessary.

(Cream)

3.2 Central Purchasing

This includes:

- Central Contracts – Where the Council has taken advantage of negotiating with an external provider for the supply of goods, works or services.
- Partnership Agreements – Where the Council has decided to enter into partnership agreements either directly with other public bodies, or as part of a consortium of public bodies, for the procurement of goods, works or services.

Procurement Procedure Rules will be followed to select the supplier/contractor to be used for central contracts or if this Council is undertaking the tendering process to select the supplier/contractor under a partnership approach.

- Specialist call-off contracts - Where contracts have been tendered/negotiated by other public bodies and include the option for other Public Bodies to participate.

If the use of any such contract is not considered to offer Value for Money, then the relevant Corporate Director/Head of Department should consult with ~~Finance, Benefits and Revenue Services~~ **the Chief Financial Officer and the Assistant Director (Governance)** in order to identify the most appropriate/advantageous procurement route.

SECTION 4 – QUOTATIONS AND TENDERS

4.1 General Requirements

- (a) Disaggregation of any procurement, in order to apply a lower level to each of the parts is not permitted.
- (b) Where any procurement spans a number of periods, or years, the total estimated cost will be the cumulative total of all periods, or years covered.
- (c) The use of electronic “portals” or other electronic means must be used to widely advertise goods, works or services required by the Council where appropriate, to ensure equal opportunity between local and non-local suppliers.
- (d) Procurement **up to £50,000** (excluding VAT) – **Quotation Rules Apply (Section 4.2).**
- (e) Procurement **over £50,000** (excluding VAT) – **Tender Rules Apply (Section 4.3).**

4.2 **QUOTATIONS** (Procurement up to £50,000 excluding VAT)

After the appropriate procurement route has been identified by following the framework set out in 3.1 above and if appropriate:

4.2.1 Procurement up to £10,000 (excluding VAT)

Where procurement is less than £2,500 then value for money should be demonstrated by obtaining two prices where possible.

Where procurement is in excess of £2,500, the seeking of two prices would be expected, with evidence retained by the department.

4.2.2 Procurement over £10,000, but not expected to exceed £50,000 (excluding VAT)

A minimum of three quotations should be sought by the department in addition to the production of a documented specification to include:

- (i) Identification of the procurement of goods, works or services required.
- (ii) Identification of any periods over which the goods, works or services are to be provided. In appropriate cases, provide for the payment of liquidated damages by a contractor where there is a failure to complete the contract within the period(s) specified.
- (iii) Provision for the retention of stated sums/percentages and the retention period to be applied where appropriate.
- (iv) Provision for the contractor to provide a performance bond, or parent company guarantee where appropriate.
- (v) Unless an exemption is obtained from ~~the Assistant Director (Finance & IT)~~ or the Assistant Director (Governance), the Council Standard Contract for Services must be used when seeking quotations for £25,000 and above. When seeking an exemption, the relevant department will identify why any additional or replacement terms and conditions are necessary for the service being sought.
- (vi) All contractors or suppliers asked to provide a quotation must be advised that the quotation must be sent to a specified e-mail address, and that quotations e-mailed to any other Council e-mail address will be disqualified.

4.2.3 All quotations shall be sought electronically:

The responsible Corporate Director/Head of Department shall arrange for a secure e-mail address to be set up on the Council's e-mail system. Access to this e-mail address must not be available until the time of quotation opening. Access to the secure e-mail address shall be controlled by an independent senior member of staff not involved with the project or tender process or a member of the Procurement Service.

Where the lowest quotation received exceeds £50,000 (excluding VAT), Tender Rules shall be followed from that stage as if tenders had been sought.

If the value of the lowest quotation received exceeds the limit of the quotation category applied, then the Corporate Director/Head of Department must seek sufficient further quotations applicable to the level of the value of that lowest quotation.

4.2.4 The Corporate Director/Head of Department is under no obligation to accept any of the quotations. However where they are prepared to accept a quotation, the most financially advantageous quotation should be accepted unless other factors such as quality, local supply, performance and deliverability are also considered as part of the selection process, **in accordance with the Council's overall requirements to demonstrate Value for Money**. Evidence is expected to be retained **and recorded in an Officer Decision**, to support such decisions where procurement exceeds £10,000.

4.3 **TENDERS** (*Procurement greater than £50,000 excluding VAT*)

After the appropriate procurement route has been identified by following the framework set out in 3.1 above and if appropriate:

4.3.1 **Selection of Suppliers**

Tenders Over ~~European Procurement Regulation~~ Statutory Thresholds

(a) Where the total estimated value of a proposed contract over its term is expected to exceed the appropriate current ~~European Procurement regulation~~ **Public Contract Regulations 2015 (as amended)** thresholds, such regulations will take precedence over these tender procedures.

Tenders Under ~~European Procurement Regulation~~ Statutory Thresholds

The appropriate Corporate Director/Head of Department will determine whether to use **Open Competitive Tendering** or **Selective Tendering** as set out separately below.

4.3.2 **Open Competitive Tenders**

A notice inviting tenders shall be prepared which should:-

- (i) Set out the nature and purpose of the contract and specify that expressions of interest are sought and set out details of where further information/tender documents can be obtained.
- (ii) Be advertised via the Council's electronic "portal" that is open to all potential suppliers or alternatively in at least one newspaper or journal circulating among suppliers/contractors who undertake such contracts. The notice period to be allowed for potential suppliers to request additional tender documentation should be determined by the Corporate Director/Head of Department.

Following the expiry of the notice period, Tender documentation will be sent to interested parties in accordance with **SECTION 4.3.5**.

4.3.3 **Selective Tendering**

Where the Council can access a central/framework arrangement, government sponsored list or a contract negotiated by another public body as set out in **SECTION 3.2** above, more than one supplier may be eligible under such arrangements. If this is the case, tender documentation

should be sent to the relevant parties in accordance with **SECTION 4.3.5**. In all other cases the following process should be undertaken:

A public notice shall:-

1. Specify details of the goods, works or services to be tendered.
2. Specify a time limit determined by the Corporate Director/Head of Department during which time potential suppliers can request that they be considered for inclusion in the associated tender process.
3. After expiry of the period specified in the public notice, the responsible Corporate Director/Head of Department will undertake an evaluation of the suppliers. This evaluation may be subject to Tender Evaluation Panel review.
4. The responsible Corporate Director/Head of Department, and where appropriate the Tender Evaluation Panel, will in consultation with the appropriate Portfolio Holder or Chairman of the relevant Committee select those contractors suitable and capable to tender for the proposed contract.

Following the conclusion of the evaluation process, Tender documentation will be sent to interested parties in accordance with **SECTION 4.3.5** below:

4.3.4 The Number of Suppliers Invited to Tender

Invitations to tender shall ensure fair competition and where possible include a mix of local and non-local suppliers and shall be sent to:-

Not less than 4 contractors, with the maximum number as determined by the relevant Corporate Director/Head of Department. (Where less than 4 suitable contractors have been identified from the selection process, then all shall be invited to tender).

4.3.5 Going out to Tender

General Rules

Tenders must:

- (i) Specify the goods, works or services to be supplied, contract value, any discounts or other deductions that may apply, the period(s) during which the contract is to be performed and any other relevant terms and conditions that the responsible Corporate Director/Head of Department considers necessary.
- (ii) In appropriate cases, provide for the retention of stated sums/percentages and the retention period to be applied.

4.3.6 Receipt of Tenders

Unless determined otherwise by the responsible Corporate Director/Head of Department in consultation with ~~Finance, Benefits and Revenues~~ **Governance Services**, all tenders should be requested to be returned electronically by e-mail. However, whatever form of tender response is implemented, all tenders must be submitted in the same manner.

The responsible Corporate Director/Head of Department shall arrange for a secure e-mail address to be set up on the Council's e-mail system. Access to this e-mail system must not be available until the time of tender opening. Access to the secure e-mail address shall be controlled by an independent senior member of staff not involved with the project or tender process or a member of the Procurement Service.

Tender documentation sent to potential providers must state that tenders must only be sent to the specified e-mail address and that tenders e-mailed to any other Council e-mail address or after the closing date and time will be disqualified.

As soon as practical after the closing date and time, ~~tenders must be submitted to the Assistant Director (Finance & IT) or their~~ a designated **Governance Services** Officer ~~who~~ will arrange for the formal recording of the tenders **submitted**.

That Officer will also check the “Spam” email box to ensure that no Tendered documents have been misidentified.

That Officer will check that the Tenderer’s email was received before the deadline for receipt of tenders and will record the name of the tenderer and the amount of the tender. The Officer will then forward, by email, the Tenderer’s email to the relevant Officer who is overseeing the tender process. The Officer will then repeat the process for all of the Tenderers. 4.3.8 Acceptance of Tenders

- (b) Where Procurement Procedure Rule 4.3.5 (v) applies, the tenders must be evaluated in accordance with the agreed evaluation process/criteria, and evidence retained to demonstrate this. The tender identified as most advantageous to the Council shall be accepted by the Corporate Director/Head of Department (in consultation with the relevant Portfolio Holder or Committee Chairman).
- (c) In those instances when only one Tender has been submitted but it is deemed advantageous to the Council following the evaluation process, that tender shall be accepted by the Corporate Director/Head of Department, in consultation with the Corporate Finance & Governance Portfolio Holder and the relevant Portfolio Holder or Committee Chairman.

The Corporate Director/Head of Department will produce a detailed report explaining why this course of action has been pursued and the said report will be circulated, alongside the Officer decision, to all members of the Council.

4.3.9 Tender Evaluation Consultation

The Council will undertake a Tender Evaluation Consultation of all tenders, estimated at over £50,000 (excluding VAT) being sought. This should include, where appropriate, any proposed method of evaluation of expressions of interest from prospective contractors. The Consultation will be led by the relevant Corporate Director or their designated officer and will include officers determined by them along with a senior officer from the department letting the contract.

The Tender Evaluation Consultation shall also have the right to include technical assistance/expertise from other departments as considered necessary.

Officer decisions recording the award of contract should include reference to the views/comments identified by the consultees.

An external representation can be accepted into any Tender Evaluation Consultation. In all cases where an external representative is included, they must be asked to declare any potential interests.

Unless an exemption is obtained from ~~the Assistant Director (Finance & IT) or~~ the Assistant Director (Governance), the Council's Standard Contract for Services must be used. The draft Contract must be supplied as part of the tender exercise. In the case of emergencies where an officer needs to take appropriate action to protect the Council's position or its assets then a verbal order can be made but the Assistant Director (Finance & IT) must be informed as soon as practical thereafter.

Where verbal orders are made they should be followed up by entering the necessary details on the Council's ordering system in accordance with 6.1 above as soon as possible.

A Corporate Director/Head of Department shall be exempt from the need to raise an official order in the following circumstances:-

A.2 APPENDIX M

SCHEME FOR DEALING WITH PETITIONS

Tendring District Council recognises the importance of petitions as a means of engaging with local communities, enabling the public to air concerns, and as a mechanism for generating service improvements. These pages set out what a petition is, how the public can submit a petition, how it will be dealt with and what the Council can do to respond to the issues raised.

What Constitutes a Petition

Any communication which is signed by, or sent to the Council by **30 or more** ~~than 30~~ people who live, work or study within Tendring shall be treated as a petition provided that such communication has a clear message or instruction upon which it would wish the Council to act.

Any communication which is signed by, or sent to the Council by **less** than 30 of the people who live, work or study within Tendring shall not be treated as a petition but, where it relates to a matter for which the Council has responsibility for, it shall be forwarded to the appropriate officer of the Council to acknowledge and advise what action, if any, will be taken.

Signatory Eligibility

The Council is keen to receive feedback from all residents, visitors and from people working or studying in the Tendring area, through various communication channels. However, only those people who are either (a) permanent residents of Tendring or (b) non-residents who can be clearly identified as either working or studying in Tendring can trigger a formal petition response.

There is no legislation supporting the minimum age requirement for a person to initiate or support a petition. Accordingly, children and young people have the ability to submit a petition as it is deemed they have the same rights and opportunity for their voices to be heard as well as adults. However, it is recognised that in practice, a teacher or parent would oversee the submission of a petition from school children where such children are under 16 years of age.

Whilst the Council welcomes petitions as a means of highlighting concerns within a local area, the lead petitioner has a responsibility to ensure that any petition submitted is done so under the principle of good faith and be decent, honest and respectful.

Information to be included

Any petition submitted must contain the following:

- A clear and concise statement covering the subject of the petition, the area to which the petition relates and what action the petitioners want the Council to take;

- The contact details for the petition organiser (lead petitioner) so the Council knows who to contact (where the lead petitioner is not identified, the Council shall correspond with the person named first on the petition);
- The name, full address, postcode and signature of any person supporting a traditional paper petition (address details will be checked). Such a petition must be accompanied by a dated covering letter that identifies the key information outlined in this procedure about the purpose of the petition, what action is called for and contact details for the lead petitioner;
- The name, postcode and email address for those persons who sign up to an electronic petition or e-petition; and
- The date the petition was submitted.

Any petition that does not comply with the above requirements will be deemed invalid.

1. How to Submit a Petition to the Council

Petitions can be submitted to the Council in the following ways:

- E-petition – The petition must be ~~emailed to democraticservices@tendringdc.gov.uk~~ **submitted via the Petitions function on the Council's website (www.tendringdc.gov.uk)**. Where no end date to an e-petition is specified, the Council shall set this at ~~three months~~ **93 days** from the date of receipt of the petition.
- Paper petitions must be sent to The Committee Services Manager, Tendring District Council, Democratic Services & Elections, Town Hall, Station Road, Clacton-on-Sea, Essex CO15 1SE.

2. What happens when a Petition is submitted?

- Receipt of a petition will be formally acknowledged to the lead petitioner in writing or by email as appropriate, within five working days of its receipt. **In relation to an E-petition the lead petitioner will be informed that the Council will deem the petition to be held 'in abeyance' until such time as the end date has passed. At which time the Council will count up and, if felt necessary, verify the signatures etc. The Council will then action the petition in accordance with the provisions of this Scheme.**
- The Council will accept any petition on face value but reserves the right to verify the signatures or investigate further, if deemed necessary. The petition must not be vexatious or frivolous or defamatory or offensive. It must not be substantially the same as a Petition previously received and dealt with by the Council within the past 12 months.

- It must also relate to a matter for which the Council has responsibility for, subject to the exceptions detailed below:

Petitions Received in respect of Planning Applications, the Local Plan making process and other Regulatory Matters (such as licensing applications submitted under the Licensing Act 2003 and the Gambling Act 2005)

Petitions received in respect of planning or licensing applications shall not be treated as petitions for the purposes of this scheme but will be sent to the appropriate department and will be considered as representations received in relation to that particular application or planning matter.

Petitions received in respect of the Local Plan making process will be referred to the Planning Policy & Local Plan Committee.

Community Governance Petitions

Community Governance petitions will be considered initially against the relevant provisions of the Local Government and Public Involvement in Health Act 2007. Those petitions that do not meet the criteria under that Act to trigger a Community Governance Review will then be considered against the criteria contained within this Scheme.

Petitions for a Referendum for an Elected Mayor and Cabinet or a Committee System of Local Government

Petitions for a referendum for an Elected Mayor and Cabinet or a return to a Committee System of Local Government will be considered initially against the relevant provisions of the Local Government Act 2000 and related legislation such as the Local Authorities (Referendums) (Petitions and Directions) (England) Regulations 2011 (as amended). Those petitions that do not meet the criteria under that Act and supporting legislation to trigger a Referendum will then be considered against the criteria contained within this Scheme.

The Head of Democratic Services & Elections (or, in their absence or other unavailability, the Committee Services Manager) will decide whether a petition is valid and/or acceptable. In making their decision those Officers will consult, if necessary, the Monitoring Officer. If the decision made is to reject the petition as being invalid and/or unacceptable the Head of Democratic Services and Elections (or Committee Services Manager) will inform the Lead Petitioner accordingly, explaining the reasons why the petition cannot be accepted under this scheme and, if appropriate, informing the petitioner that the petition will be forwarded to the relevant department together with a request that they respond directly to the petitioner on the matters raised.

- If the issue contained within the petition is not something which the Council would ordinarily consider in public as it would require the disclosure of confidential or exempt information (as defined in local government law), the lead petitioner will be informed accordingly, explaining the reasons why the petition cannot be accepted under this scheme and where appropriate, referring the petitioner to the relevant department and advising them as to how their views can be expressed via alternative means.
- If the issue contained within the petition does not relate to any functions or responsibilities of the District Council, but does relate to a matter for which Essex County Council or other body or partner is responsible, the petition will be forwarded to that organisation and the lead petitioner advised accordingly.
- Each petition received shall be based on a tiered system whereby:
 - (a) A valid petition containing 30 to 500 signatures from Tendring residents or non-residents who can be clearly identified as either working or studying in Tendring, will be reported to Council for information. It will **also then** be presented to the first practicable meeting of the Cabinet **(if it relates to a matter that is an Executive function under the law) or the appropriate committee** and then, if **so** requested, **the matter will be investigated and** a report will be brought back to **the Cabinet/Committee** for consideration;
 - (b) A valid petition containing 501, or more signatures from Tendring residents or non-residents who can be clearly identified as either working or studying in Tendring, will be reported to Council to advise that the petition has been received. Once it has been investigated, a report will be prepared and presented with the petition at the next meeting of the Council for consideration. If it relates to a matter that is an Executive function under the law the petition will also be presented to the first practicable meeting of the Cabinet and any views, comments or recommendations made by Cabinet will be incorporated into the aforementioned report to Council.
 - (c) The appropriate Ward Member(s) will be informed of receipt of a petition and any action to be taken.

*Note: Where the subject of a petition requires urgent action (i.e. it cannot wait until the following meeting of the Council) it is proposed that the petition be investigated and a report be presented to the first available meeting of the ~~Council~~ **appropriate committee** or Cabinet **(if it relates to a matter that is an Executive function under the law)**.*

In the period immediately before an election or referendum the Council may need to deal with petitions differently. If this is the case, the Head of Democratic Services & Elections,

having consulted the Monitoring Officer, will explain, in writing, the reasons to the Lead Petitioner and inform them of the revised timescale that will apply.

- When a petition is being **initially** considered by **a committee or the** Cabinet (or Council, following investigation and a report being brought back), the lead petitioner will be invited to address the **committee**, Cabinet or Council **as the case maybe**, outlining the reasons for the submission of the petition and what action they would like the Council to take. The lead petitioner (or his or her representative) will have a time limit of three minutes for their speech and the petition will then be discussed by Councillors. A Ward Councillor can, at the request of the lead petitioner, present the petition to **the committee**, Cabinet or Council, **as the case maybe**, on **their** behalf ~~of the relevant petitioners.~~ **and will have a time limit of three minutes for their speech.**
- **Where the lead petitioner requests a representative or a Ward Councillor to speak on their behalf, the lead petitioner must inform the Head of Democratic Services & Elections (or Committee Services Manager) in writing or by email in advance of the relevant meeting of the name of that representative / Ward Councillor.**
- Should two petitions be received on the same issue (including if one is in support and one opposing a course of action) then both lead petitioners will be invited to address Cabinet or Council at the same time.
- The relevant Ward Member(s), Cabinet Member(s) and officers will be informed when a valid petition covering their Wards and/or areas of responsibility is received and when and how the petition will be considered.
- The lead petitioner will be informed, in writing, of the **committee's**, Cabinet's or Council's decision **as the case maybe** and this information will also be published on the Council's website via the Minutes of the relevant meeting at which the petition was dealt with. If a further meeting is to be held to consider the issues raised in the petition, the lead petitioner will be supplied with the relevant details and will also be given the opportunity to attend and, **if so requested by the chairman**, address that meeting and ~~/or if appropriate~~, answer any questions posed at the meeting.
- Relevant Officers will be required to attend any meeting to assist in the scrutiny and investigation of issues raised in the petition. As a general principle, the relevant Officers should be at a Head of Service level or above.
- Where possible, the consideration of a petition will be held in public but, in exceptional circumstances, it may be necessary for an issue to be considered as a "exempt" item under the Local Government Act 1972, the Access to Information Act 1985 and other relevant legislation. In such circumstances, the lead petitioner, public and press will be excluded from the meeting (or part of it) but the reasons for their exclusion will be clearly communicated to them and will also be included in the Minutes of that meeting.

3. What happens after a Petition has been considered?

There are several courses of action available to the **committee**, Cabinet or the Council (as appropriate) once a petition has been considered, including:

- No action (with reasons as to why no action is proposed)
- Taking the action requested in the petition
- **Taking an alternative or amended course of action to that requested in the petition (with reasons as to why such action is being taken)**
- Undertaking research into the matters raised (this could include referring the matter to the relevant Portfolio Holder, or officer of the Council) and holding a meeting with the petitioners.
- Referring the petition to a Committee or Cabinet **or an external person/body (such as the County Council or Government body or Public Services or the Ombudsman or Member(s) of Parliament)**
- Holding a public meeting
- Holding an inquiry
- Providing a written response to the lead petitioner setting out the Council's views on the request in the petition
- ~~Considering the petition at~~ **Deferring consideration of the petition to** a future **committee**, Cabinet or Council meeting
- Calling for a referendum (**if permitted under legislation and** subject to costs)

A.2 APPENDIX N

Members' Referral Scheme for Planning Applications - Guidance Note January 2019~~22~~

The Terms of Reference of the Planning Committee as set out in the Constitution (~~Green Part 3.14~~) delegates all planning and conservation matters to ~~the Assistant Director (Planning) Officers~~ except in relation to certain planning applications, which are for determination by the Committee. One of the exceptions listed is where **Members** request that an application should be referred to the Planning Committee. The wording (~~Part 3.15~~) is as follows:

- (vi) *Within ~~28~~ **35** days of the commencement of formal consultation, a written request is received from a Tending District Councillor in accordance with the Member Referral Scheme requesting that the application should be brought before the Planning Committee for determination giving material planning reasons for that request.*

The MEMBER REFERRAL SCHEME is based on the following principles:

- Elected Members represent their communities and the interests of their ward or of individual residents (in accordance with Article 2 of the Constitution);
- Planning Committee Members are involved in decision-making for the people of the district as a whole (in accordance with Article 2 of the Constitution – 2.03 (a) (v));
-
- The interests of a ward or individual residents can extend to consideration of planning applications submitted in adjacent wards and those where applications have been made which have a direct impact on other wards;
- A member of the Council's Cabinet may also be permitted to make representations and speak on any application but only if the proposed development has a direct impact on the portfolio for which the Cabinet member is responsible. The Leader of the Council must approve the Cabinet Member making representations to the Planning Committee and requesting the matter to be determined at Committee;
- If an elected Member requests an application to be referred to the Planning Committee for determination, they will be required to personally attend the meeting of the Committee to speak on the item. Planning Services will ensure that the Member is notified when the application is scheduled for determination;
- The Members' Referral Scheme does not apply to a householder application, which is defined as follows:

“A ‘householder’ application is an application to enlarge, expand, improve or alter an existing dwelling, to put up a boundary wall of fence for an existing dwelling or carry out an operation in the curtilage of an existing dwelling that is ancillary to the dwelling-house”.

- Members are requested to use the attached letter when referring an application to the Planning Committee to be determined, for ease of reference;
