 Subject: Equipment Disposal Concurrence & Officer Decision
 Importance: High

Dear Cllr. Porter and Cllr. Talbot,

As you may be aware, there was an equipment review within the Beach Patrol service, which identified pieces of equipment that were no longer fit for purpose and required replacing. As a result, new quad bikes were purchased. It should also be noted that a Jet Ski (yet to be replaced) is also obsolete.

Alongside this, at Clacton Leisure Centre, a salsor lift is now in a condition where further works are required to keep it operational, for which it is not seen best value to do so following costings and due to its low use and storage space it consumes. We have, therefore, collated the list of equipment and outsourced an external price for purchase from the two suppliers was received.

Due to the above, I have attached a concurrence letter for your attention. Please could you kindly have a read and advise if you concur with the decision. I will then look to publish the decision accordingly.
