TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 22/01410/FUL **DATE REGISTERED:** 21st September 2022

Proposed Development and Location of the Land:

**Proposed new stables following demolition of existing stables.
Elton Grange Rectory Road Weeley Heath Clacton On Sea**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT**
PLANNING PERMISSION in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in

that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

- P01 (Floor plan and Elevations)
- P02A (Amended Block Plan)

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

3 COMPLIANCE - PRIVATE USE

CONDITION: The development hereby approved shall be used for the private stabling of horses in connection with the property known as Elton Grange, as outlined in blue on the accompanying block plan drawing number P02A, and no business or commercial use including livery or riding school activities shall be carried out from the site whatsoever.

REASON: In the interests of local amenity and highway safety.

4 FURTHER APPROVAL REQUIRED - WASTE MANAGMENT PLAN

CONDITION: Prior to first use of the stables hereby approved, a waste management plan dealing with the storage and removal of horse manure shall be submitted to and approved in writing by the Local Planning Authority. The approved waste management plan shall be adhered to at all times unless otherwise agreed in writing by the Local Planning Authority.

Effluent originating from the stable floor must be considered foul water and thus

conveyed and disposed of in the same manner as domestic foul water.

REASON: In the interests of residential amenities and environmental protection.

5 COMPLIANCE - NO BURNING ON SITE

CONDITION: There shall be no burning of manure on the site at any time.

REASON: In the interests of environmental protection and residential amenities.

6 COMPLIANCE - FLOODLIGHTING

CONDITION: No floodlighting or other means of external lighting shall be installed at the site except in accordance with details (to include position, height, aiming points, lighting levels and a polar luminous diagram) which shall have previously been submitted to and agreed in writing by the Local Planning Authority.

REASON: To secure an orderly and well-designed development sympathetic to the character of the area and in the interests of residential amenity.

INFORMATIVES:

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern within the application (as originally submitted) and negotiating, with the Applicant, acceptable amendments to the proposal to address those concerns. As a result, the Local Planning Authority has been able to grant planning permission for an acceptable proposal, in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.
