### TOWN AND COUNTRY PLANNING ACT 1990

**APPLICATION NO:** 22/01369/FUL

**DATE REGISTERED:** 3rd November 2022

Proposed Development and Location of the Land:

**Proposed use of the site as an HGV maintenance and service depot including vehicle storage (use Class B2/B8), including site parking/vehicle storage, site offices and a welfare and workshop building.**

**Dock Hereditament and Premises Parkeston Quay Harwich Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

1 **COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT**

**CONDITION:** The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

**REASON:** To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

**NOTE/S FOR CONDITION:**

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 **APPROVED PLANS & DOCUMENTS**

**CONDITION:** The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be

approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

- AWA/1156/01 (Site Plan)
- AWA/1156/02 (Block Plan)
- AWA/1156/03 (Office Plans)
- SL/001 (Parking Layout)
- PL01 (Workshop Plans)
- PL02 (Workshop Plans)
- Transport Statement (Ref - 2262/AF - December 2022)
- Flood Risk Assessment (Project Ref: QFRA 2330, Version: 1.1 - Date: 15/05/2023)
- Flood Emergency Plan (QFRA: 2330, Version 1.0 - Date: 15 May 2023)
- Design & Access Statement (Clarkehaus)

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

- 3 CONDITION: No development shall commence above slab level until a scheme for the provision and implementation of water, energy and resource efficiency measures for the lifetime of the development shall be submitted to and approved, in writing, by the Local Planning Authority. The scheme should include as a minimum the following:-

- Electric charging points;
- Renewable energy provision;

- Agreement of heating of building; and
- Agreement of scheme for waste reduction

The scheme shall be fully implemented prior to the first occupancy of the development unless otherwise agreed in writing by the Local Planning Authority. The scheme shall be constructed and the measures provided and made available for use as may be agreed and thereafter shall be maintained.

REASON: To enhance the sustainability of the development through better use of water, energy and resources reduce harm to the environment and result in wider public benefit in accordance with the NPPF.

#### 4 COMPLIANCE: FLOOD RESILIENT MEASURES

CONDITION: Prior to the first use of the approved buildings the flood resilient measures outlined at Section 6.1 of the submitted Flood Risk Assessment shall be completed in full.

REASON: To minimise the damage and to enable quick recovery and clean up after a flooding event.

#### 5 ONGOING REQUIREMENT IMPOSED - RESTRICTION ON EXTERNAL OPEN AIR STORAGE

CONDITION: There shall be no storage of vehicles outside the confines of the area titled 'Secure Vehicle Storage Compound (22 spaces)' on the approved plan AWA/1156/02 related to this permission , except pursuant to the grant of separate planning permission on an application made in that regard.

REASON: The application has been assessed on this basis and external storage of these items beyond the allocated areas would be harmful to the local amenity, highway safety, and the character and appearance of the area.

#### NOTE/S FOR CONDITION:

This condition shall engage and restricts the operation of the development from the first commencement of the use and/or operation hereby approved. This condition is imposed to ensure the development avoid unreasonable impact on the residential amenity of neighbouring dwellings, especially given the location of the development with considerations to the prevailing character and amenity currently enjoyed in this location. Without the imposing of this condition, the development would be refused due to the risk of harm and this condition is considered necessary, enforceable and reasonable in all other respects. This condition as detailed will apply to the development at all times unless varied or removed legally.

#### 6 ACTION REQUIRED: HIGHWAYS PARKING PROVISION

CONDITION: The use shall not be commenced until the articulated truck parking, driver's parking and staff and visitors parking areas within the site, as shown on approved drawing no. AWA/1156/02, and for the purposes of manoeuvring and parking of vehicles has been provided and made functionally available. All parking areas shall then be retained and remain free of obstruction.

REASON: To ensure the provision of adequate on-site space for the parking and manoeuvring of vehicles in the interests of visual amenity and highway safety.

**INFORMATIVES:**

### Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

**The attached notes explain the rights of appeal.**

## NOTES FOR GUIDANCE

### WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

#### APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
  - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
  - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
  - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate ([inquiryappeals@planninginspectorate.gov.uk](mailto:inquiryappeals@planninginspectorate.gov.uk)) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](#)

#### ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.
- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
