## TOWN AND COUNTRY PLANNING ACT 1990

**APPLICATION NO:** 23/00752/FUL

**DATE REGISTERED:** 27th June 2023

Proposed Development and Location of Land:

**Proposed two bedroom detached dwelling.  
Land rear of 152 and 154 St Osyth Road Clacton On Sea Essex**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY REFUSE PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted for the following reason(s)

- 1 The application site is identified within the Clacton on Sea Surface Water Management Plan (SWMP) study area as falling within the Critical Drainage Area (CDA) and at increased flood risk in the future. The proposed dwelling is also classified as a more vulnerable use. It is therefore necessary to carry out a sequential test as part of a site-specific Flood Risk Assessment (FRA) to direct development toward sites at the lowest risk of flooding, and to ensure that flood risk is not increased elsewhere.

The applicant has not provided an FRA or applied the sequential test and therefore the Local Planning Authority does not have a suitable basis for assessment to be made of the flood risks arising from the proposed development. It is however considered that the sequential test would be failed as there are numerous sites available for the construction of a single dwelling within Flood Zone 1 and outside of any identified area of surface water flood risk within the town of Clacton-on-Sea, and beyond.

The proposed development is therefore contrary to Adopted Policy PPL1 of the Tendring District Local Plan 2013-2033 and Beyond, the National Planning Policy Framework and Planning Policy Guidance.
