Proposed Development and Location of the Land:

**Proposed change of use from a laundrette (Sui Generis) to hair salon (Use Class E(c)).  
99 Woodlands Close Clacton On Sea Essex CO15 4RY**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

**CONDITION:** The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

**REASON:** To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

**NOTE/S FOR CONDITION:**

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

**CONDITION:** The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in

accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

- Drawing No. 2547-P-01
- Proposed Floor Plan - Scanned 13 Sept 23

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

- 3 CONDITION: The hereby permitted use shall only operate between the hours of 9am and 6pm Monday to Friday.

REASON: To enable the Local Planning Authority to retain control over the development in the interests of residential amenity within close proximity.

NOTE/S FOR CONDITION:

1) This condition shall engage and restricts the operation of the development from the first commencement of the use. This condition is imposed to ensure the development avoid unreasonable impact on the residential amenity of neighbouring dwellings, especially given the location of the development with considerations to the prevailing character and amenity currently enjoyed in this location. Without the imposing of this condition, the development would be refused due to the risk of harm and this condition is considered necessary, enforceable and reasonable in all other respects. This condition as detailed will apply to the development at all times unless varied or removed legally.

2) If the development operates outside of the hours stated this may result in unlawful development/use at risk of Enforcement Action. You are encouraged to discuss any concerns with this condition with the Local Planning Authority.

All work within or affecting the highway is to be laid out and constructed by prior arrangement with and to the requirements and specifications of the Highway Authority; all details shall be agreed before the commencement of works. The applicants should be advised to contact the Development Management Team by email at [development.management@essexhighways.org](mailto:development.management@essexhighways.org)

ii. On the completion of the Development, all roads, footways/paths, cycle ways, covers, gratings, fences, barriers, grass verges, trees, and any other street furniture within the Site and in the area, it covers, and any neighbouring areas affected by it, must be left in a fully functional repaired/renovated state to a standard accepted by the appropriate statutory authority.

To protect the Highway Authority against such compensation claims a cash deposit or bond may be required.

In Essex, the Essex Climate Action Commission proposed 160+ recommendations for climate action. Essex County Council is working with partners to achieve specific goals by 2030, including net zero carbon development. All those active in the development sector should have regard to these goals and applicants are invited to sign up to the Essex Developers' Group Climate Charter [2022] and to view the advice contained in the Essex Design Guide. Climate Action Advice guides for residents, businesses and schools are also available.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.
