DATE REGISTERED: 11th October 2023

Proposed Development and Location of the Land:

Proposed change of use of the former car showroom and garage to a retail convenience store comprising of associated external alteration, plant equipment, parking and servicing area.

Vernon Haddock Cars Ltd 15 - 19 Frinton Road Kirby Cross Frinton On Sea

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in

that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

Drawing Numbers PL (20) 200, PL (20) 202, PL (20) 203 Rev A, PL (90) 001 Rev B, PL (90) 200 Rev B, and documents titled 'Noise Impact Assessment', 'Renewable Energy Generation Plan' and 'Transport Statement'.

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

- 3 **CONDITION:** The hereby permitted development/use shall only operate between the hours of 6am and 11pm every day including Sundays and Bank Holidays. There shall be no deliveries (except newspaper deliveries) to the development outside of 7am to 7pm Mondays to Fridays and 8am to 6pm at all other times.

REASON: To enable the Local Planning Authority to retain control over the development in the interests of residential amenity within close proximity.

NOTE/S FOR CONDITION:

1) This condition shall engage and restricts the operation of the development from the first commencement of the use. This condition is imposed to ensure the development avoid unreasonable impact on the residential amenity of neighbouring dwellings, especially given the location of the development with considerations to the prevailing character and amenity currently enjoyed in this location. Without the imposing of this condition, the development would be refused due to the risk of harm and this condition is considered necessary, enforceable and reasonable in all other respects. This condition

as detailed will apply to the development at all times unless varied or removed legally.

2) If the development operates outside of the hours stated this may result in unlawful development/use at risk of Enforcement Action. You are encouraged to discuss any concerns with this condition with the Local Planning Authority.

- 4 **CONDITION:** Prior to the first use of the hereby approved development the vehicular access onto B1033, Frinton Road (as shown on Drawing no. 3/90200) shall be constructed at right angles to the highway boundary and to the existing carriageway. The width of the access at its junction with the highway shall not be less than 6 metres, and shall be retained at that width for 6 metres within the site.

REASON: In the interests of highway safety to ensure vehicles can enter and leave the site in a safe manner ensuring opposing vehicles can pass in the interest of highway safety.

- 5 **CONDITION:** Prior to the first use of the new access details of the stopping up of all other means of vehicular access within the frontage as shown on the approved drawings shall be submitted to and approved in writing by the Local Planning Authority in consultation with the Highways Authority. The stopping up as approved shall be implemented in full prior to first use of the new access.

REASON: To ensure that an increase in accesses available does not increase in highway safety risk.

NOTE/S FOR CONDITION:

It is an OFFENCE to carry out works within the public highway, which includes a Public Right of Way, without the permission of the ECC Highway Authority. Any conditions which involve work within the limits of the public highway do not give the applicant permission to carry them out. Unless otherwise agreed in writing all works within the public highway shall be carried out by Essex County Council or its agents at the applicant's expense.

- 6 **CONDITION:** Prior to first occupation of the hereby approved development, the vehicle parking area indicated on the approved plans shall be hard surfaced and sealed. The vehicle parking area and associated turning area shall be retained in this form at all times. The vehicle parking shall not be used for any purpose other than the parking of vehicles that are related to the use of the development unless otherwise agreed in writing with the Local Planning Authority.

REASON: To ensure that on street parking of vehicles in the adjoining streets does not occur in the interests of highway safety.

- 7 **CONDITION:** The fencing surrounding the plant equipment area, as outlined within Drawing Numbers PL (90) 200 Rev B, PL (20) 202, and PL (20) 203 Rev A, shall be retained in the approved form in perpetuity, unless otherwise agreed in writing by the Local Planning Authority.

REASON: To ensure the amenities of neighbouring residential properties are protected.

- 8 **CONDITION:** Notwithstanding the provisions of Article 3, Schedule 2 Part 3 of the Town & Country Planning (General Permitted Development)(England) Order 2015, (or any Order revoking and re-enacting that Order with or without modification), the hereby approved development shall be used as Class E(a) use and for no other purpose including any other purpose in Class E of the Schedule to the Town and Country Planning (Use Classes) Order 1987 (or in any provision equivalent to that Class in any

Statutory instrument and re-enacting that Order with or without modification).

REASON: To enable the Local Planning Authority to retain control over the development in the interests of the amenity.

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.
