Local Planning Guidance

Essex County Council Car Parking Standards - Design and Good Practice

Status of the Local Plan

Planning law requires that decisions on applications must be taken in accordance with the development plan unless there are material considerations that indicate otherwise (Section 70(2) of the 1990 Town and Country Planning Act and Section 38(6) of the Planning and Compulsory Purchase Act 2004). This is set out in Paragraph 2 of the National Planning Policy Framework (the Framework). The 'development plan' for Tendring comprises, in part, Sections 1 and 2 of the Tendring District Council 2013-33 and Beyond Local Plan (adopted January 2021 and January 2022, respectively), supported by our suite of evidence base core documents (<https://www.tendringdc.uk/content/evidence-base>) together with any neighbourhood plans that have been brought into force.

Neighbourhood Plans

A neighbourhood plan introduced by the Localism Act that can be prepared by the local community and gives communities the power to develop a shared vision for their area. Neighbourhood plans can shape, direct and help to deliver sustainable development, by influencing local planning decisions as part of the statutory development plan to promote development and uphold the strategic policies as part of the Development Plan alongside the Local Plan. Relevant policies are considered in the assessment. Further information on our Neighbourhood Plans and their progress can be found via our website <https://www.tendringdc.uk/content/neighbourhood-plans>

5. Officer Appraisal (including Site Description and Proposal)

Application Site

The application site is 3 Daniell Close Clacton-on-Sea, an east facing brick built two storey semi-detached dwelling. The site is set back from the highway with a long strip of hardstanding which ends at a garage. A large area of soft landscaping lies adjacent. A high dense hedgerow runs along the site's northern boundary. The neighbouring properties are predominately two storey dwellings.

Proposal

This application seeks planning permission to erect a single storey front extension.

Assessment

The key considerations of this application will be Design and Appearance, Impact upon the Neighbours and Other Considerations.

Design and Appearance

The proposal seeks to install a pitched single storey extension to the front of the dwelling. The proposed extension measures 2.5 metres in width, 2.3 metres in depth with an overall height of 3.6 metres. The front garden is considered to be of a sufficient size to be able to accommodate the proposals.

Due its location, the proposed extension will be visible to the streetscene; however, the use of materials similar to those already in situ and the subservient design of the proposal will help tie the development in with the host dwelling, significantly reducing the potential harm the proposal may have upon on the visual amenities of the area.

Impact to Neighbours

Due to its location, the proposal would only affect the neighbouring properties of 1 & 5 Daniell Close. However, because of its single storey nature, lack of openings on the northern elevation and the screening provided by the existing boundary treatment & garage the proposal will pose no significant impact to the neighbouring properties privacy, light or outlook.

Other considerations

Clacton-on-Sea is non-parished

1 letter of representation has been received which supports the application.

Conclusion

The proposed development is consistent with the above mentioned national and local planning policies. In the absence of material harm the proposal is recommended for approval.

6. Recommendation

Approval - Full

7. Conditions

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

Drawing No. 183DC_100

Drawing No. 183DC_101

Drawing No. 183DC_102

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not

otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

8. Informatives

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

9. Equality Impact Assessment

In making this recommendation/decision regard must be had to the public sector equality duty (PSED) under section 149 of the Equality Act 2010 (as amended). This means that the Council must have due regard to the need in discharging its functions that in summary include A) Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act; B. Advance equality of opportunity between people who share a protected characteristic* (See Table) and those who do not; C. Foster good relations between people who share a protected characteristic* and those who do not, including tackling prejudice and promoting understanding.

It is vital to note that the PSED and associated legislation are a significant consideration and material planning consideration in the decision-making process. This is applicable to all planning decisions including prior approvals, outline, full, adverts, listed buildings etc. It does not impose an obligation to achieve the outcomes outlined in Section 149. Section 149 represents just one of several factors to be weighed against other pertinent considerations.

In the present context, it has been carefully evaluated that the recommendation articulated in this report and the consequent decision are not expected to disproportionately affect any protected characteristic* adversely. The PSED has been duly considered and given the necessary regard, as expounded below.

Protected Characteristics *	Analysis	Impact
Age	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Disability	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Gender Reassignment	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral

Marriage or Civil Partnership	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Pregnancy and Maternity	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Race (Including colour, nationality and ethnic or national origin)	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Sexual Orientation	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Sex (gender)	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Religion or Belief	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
