Dear Paul Lambert

Re: Rapid Response Maintenance Ltd Term Repairs, Voids Maintenance Contract 2021-2028

The contract has been let as a 3-year contract with the option to extend for a further 4 years in 2-year increments.

It's therefore proposed to extend the contract by 2 years as per the contract conditions to April 2026 with consideration of a further 2 years on satisfactory completion of this time. As per the contract this will be subject to CPI uplift in May each year.

Please indicate your agreement to the proposal by signing and returning the copy of this letter. If you concur with the foregoing, can you please sign and return the attached pro forma or provide an email response as soon as you are able.

Yours sincerely
