General Permitted Development Order

The aim of this application is to establish whether or not this development would require planning permission. The certificate issued would state that the development is lawful and not at risk of being subject to enforcement action. To establish whether the proposed development is permitted development reference needs to be made to The Town and Country Planning (General Permitted Development) Order 2015.

The proposed internal alterations to create the loft conversion will be assessed under Class A. The proposed loft dormer and hip to gable extension will be assessed under Class B. The proposed roof lights will be assessed under Class C.
