REPORT OF CORPORATE DIRECTOR – OPERATIONAL SERVICES

A.1 PROPOSED NAMING AND NUMBERING

(Report prepared by Sarah Gavin)

PART 1 – KEY INFORMATION

PURPOSE OF THE REPORT

To seek authority to proceed with the formal naming of the road currently under construction Jaywick Lane, Clacton on Sea, Essex.

EXECUTIVE SUMMARY

A new development of 80 properties and 1 new road has commenced on the site at the above location. The layout of this development is shown on the drawing attached as an Appendix to this report.

RECOMMENDATION(S)

(a) That the new road shown on the site plan attached as an Appendix to this report is named: - “Omar Avenue”.

(b)

Reason: -

Omar Avenue (Reason): The developers would very much like the name OMAR AVENUE because they have a close relationship with Omar who are the country's leading Park Home manufacturers and they only purchase their Park Homes for their developments because of their build quality and design skills. There will be a long standing link with the residential park consisting of entirely OMAR manufactured Park Homes.

That all interested parties be advised of the names allocated to the new roads.

PART 2 – IMPLICATIONS OF THE DECISION

DELIVERING PRIORITIES

It is believed that the development of this site will have a significant impact on the re-generation of the area.

FINANCE, OTHER RESOURCES AND RISK

Finance and other resources

There are no financial implications as all costs are borne by the developer.

Risk

There are no risk implications, however, failure to allocate road names and postal addresses to the new properties will lead to significant difficulties for the owners of the properties accessing goods & services and mail deliveries.

LEGAL

The Council is empowered under Section 64 of the Town Improvement Clauses Act 1847 to name a street which is not already named. However, if the Council objects to the proposed names, the person proposing the name may appeal against the objection to a Petty Sessional Court, under Section 17 of the Public Health Act 1925.
