

Officer Report

23 May 2024

The works to the trees set out in the application form all relate to trees situated in the rear garden of the host property . None of the trees feature prominently in the public realm.

The proposed works involve the shortening back and trimming of branches of established trees and is necessary in order to contain them at a size and scale proportionate to their location .

The proposed works are acceptable and will not adversely affect the character or appearance of the conservation area .

Decision - No objection
