Team Leader authorisation / sign off:		AN	06/06/24
Assistant Planner final checks and despatch:		ER	07/06/2024

**Application:** 24/00611/FULHH **Town / Parish:** Wix Parish Council

**Applicant:** Ainger

**Address:** 12 Glebe Close Wix Manningtree

**Development:** Householder Planning Application - Proposed rear extension (following removal of existing conservatory).

### 1. Town / Parish Council

Wix Parish Council          No objections received

### 2. Consultation Responses

Not required for this application.

### 3. Planning History

24/00431/HHPNO T	Prior Approval Application under Part 1, Class A of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended) for erection of single storey flat roof extension (Depth 6m, Maximum Height 3.33m, Eaves Height 2.4m).	Withdrawn	15.04.2024
24/00611/FULHH	Householder Planning Application - Current Proposed rear extension (following removal of existing conservatory).		

### 4. Status of the Local Plan

Planning law requires that decisions on applications must be taken in accordance with the development plan unless there are material considerations that indicate otherwise (Section 70(2) of the 1990 Town and Country Planning Act and Section 38(6) of the Planning and Compulsory Purchase Act 2004). This is set out in Paragraph 2 of the National Planning Policy Framework (the Framework). The 'development plan' for Tendring comprises, in part, Sections 1 and 2 of the Tendring District Local Plan 2013-33 and Beyond (adopted January 2021 and January 2022, respectively), supported by our suite of evidence base core documents (<https://www.tendringdc.uk/content/evidence-base>) together with any Neighbourhood Plans that have been made and the Minerals and Waste Local Plans adopted by Essex County Council.

### 5. Neighbourhood Plans

A neighbourhood plan introduced by the Localism Act that can be prepared by the local community and gives communities the power to develop a shared vision for their area. Neighbourhood plans

can shape, direct and help to deliver sustainable development, by influencing local planning decisions as part of the statutory development plan to promote development and uphold the strategic policies as part of the Development Plan alongside the Local Plan. Relevant policies are considered in the assessment. Further information on our Neighbourhood Plans and their progress can be found via our website <https://www.tendringdc.uk/content/neighbourhood-plans>

## **6. Relevant Policies / Government Guidance**

### **NATIONAL:**

National Planning Policy Framework 2023 (NPPF)

National Planning Practice Guidance (NPPG)

### **LOCAL:**

Tendring District Local Plan 2013-2033 and Beyond North Essex Authorities' Shared Strategic Section 1 Plan (adopted January 2021):

SP1 Presumption in Favour of Sustainable Development

SP7 Place Shaping Principles

Tendring District Local Plan 2013-2033 and Beyond Section 2 (adopted January 2022):

SPL1 Managing Growth

SPL3 Sustainable Design

LP3 Housing Density and Standards

LP4 Housing Layout

Supplementary Planning Guidance:

Essex Design Guide

No emerging or adopted neighbourhood plan

## **7. Officer Appraisal (including Site Description and Proposal)**

### **Site context**

The application site comprises of a semi detached bungalow located within the development boundary. The house is constructed from brick with some render detailing and is set back from the front boundary with a small front garden area.

Sited to the side and set behind the main house is an existing garage and driveway which leads to a vehicular access to Glebe Close.

The rear of the house plays host to a garden area which is mainly laid to lawn and enclosed by close boarded fencing. The house has previously been extended by way of an existing conservatory/ lean to addition.

### **Proposal**

This application seeks planning permission for the erection of a single storey rear extension (following removal of existing conservatory).

### **Assessment**

#### **Visual Amenity**

Paragraph 135 of the NPPF (2023) requires that developments are visually attractive as a result of good architecture, are sympathetic to local character, and establish or maintain a strong sense of place. Policy SP7 of the 2013-33 Local Plan seeks high standards of urban and architectural design which responds positively to local character and context, and to protect the district's landscape and the quality of existing places and their environs.

The proposed extension will be sited to the rear and predominantly screened by the existing house and garage preventing prominent or harmful views onto Glebe Close.

The proposed extension is of a suitable size and scale in relation to the existing house and will be finished in materials which are consistent with the host dwelling.

The site is of a large enough size to accommodate the proposal and still retain sufficient private amenity space.

The extension is therefore considered an appropriate addition to the house which would not result in a harmful impact to the character/ appearance of the existing house or streetscene.

### Impact to Neighbours

Paragraph 135 of the National Planning Policy Framework (2023) confirms planning policies and decisions should create places that are safe, inclusive and accessible and which promote health and well being, with a high standard of amenity for existing and future users.

Policy SP7 of Section 1 of the 2013-33 Local Plan requires that the amenity of existing residents is protected. Section 2 Policy SPL 3 (Part C) seeks to ensure that development will not have a materially damaging impact on the privacy, daylight or other amenities of occupiers of nearby properties.

The neighbour to the north is known as 10 Glebe Close and is set off of the shared boundary with a double garage located between both of the houses. The proposed extension will be sited suitably away from the shared boundary and predominantly screened by the existing garage preventing it from resulting in a significant loss of amenities to this neighbour.

The site to the south known as 14 Glebe Close adjoins the application dwelling and benefits from its own rear extension. This neighbouring extension and boundary fencing will screen much of the proposal from view preventing it from appearing prominently to this neighbour. The extension will be set off of the boundary by 0.5m and incorporate a flat roof design which will further lessen this impact. The proposed addition is therefore considered not to result in a significantly harmful impact to the amenities of this neighbour.

The proposed enlargement will be sited suitably away from its rearward boundary and screened by existing boundary treatments preventing it from resulting in a loss of amenities to these rearward neighbours.

### Habitats, Protected Species and Biodiversity Enhancement

#### **Ecology and Biodiversity**

##### **General duty on all authorities**

The Natural Environment and Rural Communities Act 2006 amended by the Environment Act 2021 provides under Section 40 the general duty to conserve and enhance biodiversity: "For the purposes of this section "the general biodiversity objective" is the conservation and enhancement of biodiversity in England through the exercise of functions in relation to England." Section 40 states authorities must consider what actions they can take to further the general biodiversity objective and determine policies and specific objectives to achieve this goal. The actions mentioned include conserving, restoring, or enhancing populations of particular species and habitats. In conclusion for decision making, it is considered that the Local Planning Authority must be satisfied that the development would conserve and enhance.

This development is subject to the general duty outlined above. An informative has been imposed strongly encouraging the applicant to improve the biodiversity of the application site through appropriate additional planting and wildlife friendly features. Therefore the development on balance, with consideration of the impact of the development and baseline situation on site, is considered likely to conserve and enhance biodiversity interests.

## **Biodiversity net gain**

Biodiversity net gain (BNG) is an approach that aims to leave the natural environment in a measurably better state than it was beforehand. This excludes applications for Listed Building Consent, Advert Consent, Reserved Matters, Prior Approvals, Lawful Development Certificates, householders, self builds, and other types of application which are below the threshold i.e. does not impact a priority habitat and impacts less than 25 sq.m of habitat, or 5m of linear habitats such as hedgerow). This proposal is not therefore applicable for Biodiversity Net Gain.

## **Protected Species**

In accordance with Natural England's standing advice the proposed development site and surrounding habitat have been assessed for potential impacts on protected species. It is considered that the proposal is unlikely to adversely impact upon protected species or habitats.

## **Conclusion**

In accordance with the overarching duty outlined above, this development is considered to accord to best practice, policy, and legislation requirements in consideration of the impacts on ecology interests.

### Other considerations

Wix Parish Council have no objections to the proposal.  
There have been no letters of representation received.

### Conclusion

The proposal is therefore considered to be compliant with national and local policy as assessed in the above report. In the absence of material harm resulting from the proposed development the application is recommended for approval.

## **Recommendation**

Approval - Full

## **8. Conditions**

### **1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT**

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

### **2 APPROVED PLANS & DOCUMENTS**

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be

approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

100

101

102

SITE PLAN - REC'D 01.04.24

PROPOSED BLOCK PLAN - REC'D 01.04.24

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

## 9. **Informatives**

### Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

In accordance with the Council's general duty to conserve and enhance biodiversity, you are strongly encouraged to improve the biodiversity of the application site through appropriate additional planting and wildlife friendly features. Suggested enhancements could include: <https://www.rhs.org.uk/wildlife/in-the-garden/encourage-wildlife-to-your-garden>

## 10. Equality Impact Assessment

In making this recommendation/decision regard must be had to the public sector equality duty (PSED) under section 149 of the Equality Act 2010 (as amended). This means that the Council must have due regard to the need in discharging its functions that in summary include A) Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act; B. Advance equality of opportunity between people who share a protected characteristic\* (See Table) and those who do not; C. Foster good relations between people who share a protected characteristic\* and those who do not, including tackling prejudice and promoting understanding.

It is vital to note that the PSED and associated legislation are a significant consideration and material planning consideration in the decision-making process. This is applicable to all planning decisions including prior approvals, outline, full, adverts, listed buildings etc. It does not impose an obligation to achieve the outcomes outlined in Section 149. Section 149 represents just one of several factors to be weighed against other pertinent considerations.

In the present context, it has been carefully evaluated that the recommendation articulated in this report and the consequent decision are not expected to disproportionately affect any protected characteristic\* adversely. The PSED has been duly considered and given the necessary regard, as expounded below.

Protected Characteristics *	Analysis	Impact
Age	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Disability	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Gender Reassignment	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Marriage or Civil Partnership	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Pregnancy and Maternity	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Race (Including colour, nationality and ethnic or national origin)	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Sexual Orientation	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Sex (gender)	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Religion or Belief	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral

## 11. Notification of Decision

<b>Are there any letters to be sent to applicant / agent with the decision? If so please specify:</b>		NO
<b>Are there any third parties to be informed of the decision? If so, please specify:</b>		NO
