

Good afternoon

I have read all the relevant documents and am satisfied that I can agree with the proposal to submit the Council's TSM's to the RSH.

If a hard copy signature is required, please ensure a copy of the Executive Decision is made available through the Leadership Support office, and I will sign it when next at the Town Hall.

Kind Regards

Andy

Subject: Tenant Satisfaction Measures Outturn

Good Morning,

Further to previous discussions and the presentation to the Tenants Panel on 28 May 2024, please find attached a report seeking your approval to submit our Tenant Satisfaction Measures to the Regulator of Social Housing.

If you are in agreement with this, I would be grateful if you could either sign and return the attached Executive Decision form or confirm by email.

If you should have any queries in connection with this matter, please do not hesitate to contact me,

Regards,

Emma
