Subject: RE: New Road- (Phase 5) Admirals Green- Land to The South of Michael Wright Way, Great Bentley, Essex

Dear Sarah

I confirm my approval for this decision.

“I confirm that I am making the following executive decision:-

To formally name the new road under construction at the development site – (Phase 5) Admirals Green- Land to The South of Michael Wright Way, Great Bentley, Essex

Oliver Road (reason): - Oliver Cromwell met his wife Elizabeth (daughter of Sir James Bouchier) who owned large tracts of Essex. Large areas of Tendring were left to Oliver C and his wife and they lived off the income for many years. Oliver C and his family then moved to Cambridge and then on to Ely but they continued to live off the inheritance income in this area.

I understand that a consultation with the relevant Ward Members that serve The Bentleys & Frating Ward has taken place, and all members are in agreement”.

Kind Regards

Mick
