Dear Cllr. Barry and Cllr. Bush,

Sport & Leisure Service – External Purchase of Kawasaki Mule Pro MX

Currently, the previous Mule has been stored at Northbourne Depot after a replacement was bought last year due to the condition and cost of repair of the previous Mule. As such, we have sought quotes to sell this equipment.

Tuckwells have made an offer for this when assessing equipment at Northbourne Depot. As there is no other use for this and repairs would not prolong the life of the equipment to gain good value from it, this would be the best option to recoup costs from this vehicle.

It is key to note the items were made available for other departments within the council to purchase prior to outsourcing the below costings, under the disposal of equipment procedure. As mentioned Tuckwells put in a purchase offer:

Kawasaki Mule Pro MX: £4,250.00 +VAT

Upon review of the external purchase price, it is suggested TDC proceed with the option proposed by Tuckwells at £4,250. This fund will be allocated to the relevant Beach Patrol budget code.

If you agree with the external purchasing of the equipment outlined above by Tuckwells, from the Sport and Leisure Service, at the agreed costings, I would be grateful if you would sign and return the concurrence below.

Yours sincerely,

Kieran Charles, BA Hons, MCIMSPA
Sport and Leisure Operations Manager
