

Dear Mr Walpole

Thank you for your e-mail concerning the Oak tree at the Kings Arms Public House, Main Road, Frating.

I have attached a copy of the report made in respect of your request to make a new Tree Preservation Order in respect of the tree, along with my comments on the planning application and the TEMPO sheet (Tree Evaluation Method for Preservation Orders).

As you will see it is not considered necessary or otherwise expedient to make the tree the subject of a new TPO at the present time. Should the situation change then this matter could be re-considered at some stage in the future.

I should however like to thank you for bringing this matter to my attention and should be pleased to discuss any of the attached documents with you should you so wish.

The Council's decision will be published on Direct.GOV in accordance with The Openness of Local Government Bodies Regulations 2014.

I hope that you find this helpful.

Should you require any additional information or if I can be of any further assistance then please do not hesitate to contact me.

Regards

Clive
