AGENT:

TOWN AND COUNTRY PLANNING ACT 1990

APPLICATION NO: 24/00959/FUL

DATE REGISTERED: 3rd July 2024

Proposed Development and Location of the Land:

**Planning Application - erection of workshop/storage shed.
109 Oxford Road Clacton On Sea Essex CO15 3TJ**

THE TENDRING DISTRICT COUNCIL AS LOCAL PLANNING AUTHORITY **HEREBY GRANT PLANNING PERMISSION** in accordance with the application form, supporting documents and plans submitted, subject to the following conditions;

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in

that regard.

The approved red line plan drawing is 010.B received 29.07.2024
Drawing numbers 001, 002, and 003

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

3 FURTHER APPROVAL: BIODIVERSITY NET GAIN PLAN

CONDITION: The development may not be begun unless (a) a biodiversity gain plan has been submitted to the planning authority (see note), and (b) the planning authority has approved the plan (see note).

REASON: In order to accord with Schedule 7A of the Town and Country Planning Act 1990 (as inserted by Schedule 14 of the Environment Act 2021) and amended by The Biodiversity Gain (Town and Country Planning) Modifications and Amendments (England) Regulations 2024

NOTE - CONTEXT AND APPLICATION:

Planning conditions are typically established upon the granting of planning permission under sections 70(1) and 72 of the Town and Country Planning Act 1990. However, it's essential to note that the biodiversity gain condition operates under a distinct statutory framework, specifically outlined in paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990.

This condition is deemed to apply to all planning permissions granted for land development in England, unless specific exemptions or transitional provisions are applicable (for further details, please refer to the provided web link <https://www.gov.uk/guidance/biodiversity-net-gain-exempt-developments> or contact us directly.

The government advises against including this condition in decision notices to avoid confusion. However, for clarity and accountability, we have opted to highlight this condition within the decision notice. This ensures that all involved parties are aware of its requirements, facilitating effective tracking and monitoring throughout the development process, including the discharge of conditions.

In certain instances, this condition may be imposed even if the applicant believes that biodiversity net gain (BNG) does not apply. Based on the available information, it is determined that this permission necessitates the approval of a biodiversity gain plan before commencing development, as none of the statutory exemptions or transitional arrangements apply.

For further details, please consult the officer report as needed. If you believe this condition does not apply, we strongly recommend contacting the Local Planning Authority (LPA) for clarification. Tendring District Council serves as the planning authority responsible for determining the approval of a Biodiversity Gain Plan in relation to this permission.

BIODIVERSITY GAIN PLAN REQUIREMENTS:

For the Biodiversity Gain Plan requirements, please refer to both paragraphs 14 and 15 of the Environment Act Sch 14 Part 2 as amended by The Biodiversity Gain (Town and Country Planning) Modifications and Amendments (England) Regulations 2024.

<https://www.legislation.gov.uk/ukpga/2021/30/schedule/14/enacted>

In summary, the Biodiversity Net Gain (BNG) plan must achieve a minimum biodiversity net gain of 10% and should typically include the following:

- Steps taken or to be taken to minimize adverse effects of the development on the biodiversity of the onsite habitat and any other habitat.
- Pre-development and post-development biodiversity assessments of the onsite habitat.
- Allocation of any registered offsite biodiversity gain to the development and its biodiversity value in relation to the development.
- Details of any biodiversity credits purchased for the development.
- Plans for maintaining and securing the net gain on and/or off site for at least 30 years after completion of the development.

The Local Authority will ensure the submitted details meet the requirements of the Town and Country Planning Act 1990 as amended, Environment Act as amended, associated legislation and guidance.

Ways to achieve 10% BNG may include:

- 1) Enhancement and restoring biodiversity on-site (within the red line boundary of a development site).
- 2) If proposals can only achieve part of their BNG on-site, they can deliver through a mixture of on-site and off-site. Developers can either make off-site biodiversity gains on their own land outside the development site or buy off-site biodiversity units on the market as close as possible to the site.
- 3) If developers cannot achieve on-site or off-site BNG, they must buy statutory biodiversity credits from the government. This must be a last resort. The government will use the revenue to invest in habitat creation in England.

Developers may combine all 3 options but must follow the steps in order. This order of steps is called the biodiversity gain hierarchy.

CONDITIONS AND LEGAL AGREEMENT:

The Local Authority is responsible for ensuring that the biodiversity gain objective is achieved, whether it be onsite, offsite, or through the purchase of credits, and that it is secured by legal agreement as necessary. It is essential to highlight that planning conditions operate within a strict timeframe. Therefore, any legal agreements required to secure the biodiversity gain must be completed prior to the consideration of the planning condition. Failure to comply with this requirement may result in the refusal of the condition.

4 COMPLIANCE REQUIRED CONSTRUCTION HOURS

CONDITION: Construction hours shall be restricted to between 08:00 and 18:00 Monday to Friday, and 08:00 and 13:00 on Saturdays, with no working of any kind permitted on Sundays or any Public/Bank Holiday.

REASON: In the interests of residential amenity.

INFORMATIVES:**Positive and Proactive Statement**

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Standard Informative 1: The Provisions of the Essex Act 1987, Section 13 (Access for the Fire Brigade) may apply to this Development and will be determined at Building Regulation Stage.

Standard Informative 2: You are reminded that the carrying out of building works requires approval under the Building Regulations in many cases as well as a grant of planning permission. If you are in doubt as to whether or not the work, the subject of this planning permission, requires such approval, then you are invited to contact the Building Control section at Tendring District Council.

Standard Informative 3: If the development includes the construction of a new building on or at the boundary of 2 properties, work to an existing party wall or party structure or involve excavation near to and below the foundation level of neighbouring buildings, you are advised that the provisions of the Party Wall Act 1996 may apply to this development. An explanatory booklet concerning the implications of this Act is available online or from the District Council.

The attached notes explain the rights of appeal.

NOTES FOR GUIDANCE

WHEN PLANNING PERMISSION IS REFUSED OR GRANTED SUBJECT TO CONDITIONS

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within the set time frame as outlined below:
 - a. If this is a decision to refuse planning permission for a householder application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Householder Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - b. If this is a decision to refuse planning permission for a minor commercial application, if you want to appeal against your local planning authority's decision then you must do so within **12 weeks** of the date of this notice. A **Planning Appeal Form** is required, available online at <https://www.gov.uk/planning-inspectorate>
 - c. If you want to appeal against your local planning authority's decision on a development which is not caught by a. and b. above then you must do so within **6 months** of the date of this notice. A **Planning Appeal Form** is required, available online <https://www.gov.uk/planning-inspectorate>
- Appeals must be made using the relevant form (as detailed above) which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. **Please note, only the applicant possesses the right of appeal.**
- Please ensure that you have read the latest procedural guidance for appeals prior to submitting an appeal. The latest guidance can be found at [Procedural Guide: Planning appeals – England - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/publications/procedural-guide-planning-appeals)
- The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted permission for the proposed development or could not have granted it without the conditions imposed having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK.](https://www.gov.uk/government/publications/planning-appeals)

ENFORCEMENT

- If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice.

- If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice, or within 6 months (12 weeks in the case of a householder or minor commercial appeal) of the date of this notice, whichever period expires earlier.
