18 <sup>th</sup> Sept 2024	Leader of the Council and Deputy Leader of the Council, Portfolio Holder for Economic Growth, Regeneration & Leisure	<p>To approve a further list of projects for year 3 of the UK Shared Prosperity Fund (UKSPF), following the most recent Decision dated 15<sup>th</sup> Aug 2024.</p> <p>The previous Decision related to projects which came about as a result of an open call for projects which took place in Spring/Summer of 2024. This further Decision makes recommendations for the remaining underspend in each intervention, in some cases recommending reallocation of funding between interventions to ensure the funding is allocated where it can be the most impactful and address areas of need &amp; demand across the District based on the applications received as part of the 2024 open call.</p> <p>The list of projects has been approved via concurrence by Cllrs Stephenson and Henderson (by email) on 17<sup>th</sup></p>	<p>UKSPF funding is an allocation from Government which lasts for 3 years, with 2024/25 being the final year. It is therefore imperative that all funding is allocated and spent in this financial year as there is no further opportunity to carry funding forward.</p> <p>Reallocated funding between interventions has been based on moving funding to interventions which have proven more popular, to allow the funding to be more impactful across the District. Projects are still subject to due diligence and value for money considerations before making recommendations via concurrence.</p>	<p>With limited time remaining to allocate the UKSPF, and no further opportunity to carry funding forward, projects must be approved to allow them sufficient time to deliver before the final deadline (March 2025). Any funding unallocated will need to be returned to Central Government at that time.</p>	N/A	No	Yes
