### NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

## NOTES FOR GUIDANCE

### ABOUT LISTED BUILDING AND CONSERVATION AREA APPLICATIONS

1. If you are aggrieved by the decision of the local planning authority to refuse Listed Building consent for the proposed works, or to grant consent subject to conditions, you may appeal to the Secretary of State for Communities and Local Government in accordance with Section 20 and 21 of the Planning (Listed Buildings and Conservation Areas) Act 1990 within six months of receipt of this notice. Appeals must be made on a **Listed Building Appeal Form** which is obtainable from the Planning Inspector, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN (Tel: 0303 444 5000) or online at <https://www.gov.uk/planning-inspectorate>. The Secretary of State has power to allow a longer period for the giving of a notice appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. **Please note, only the applicant possesses the right of appeal.**
2. If Listed Building Consent is refused, or granted subject to conditions, whether by the local planning authority or by the Secretary of State for Communities and Local Government, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any works which have been or would be permitted, he may serve on the Council of the district, a purchase notice requiring that the Council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (listed Building and conservation areas) Act 1990.
3. In certain circumstances a claim may be made against the local planning authority for compensation where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in section 27 of the Planning (Listed Buildings and Conservation areas) act 1990.
4. Identical rights of appeal exist if an applicant is aggrieved by the decision of the local planning authority in relation to an application made on that behalf:-
  - a) To refuse, to vary or to discharge the conditions attached to a Listed Building Consent.
  - or
  - b) To add new conditions consequential upon any such variation or discharge.
