

## Officer Report

18 October 2024

The trees that are the subject of this application are situated in the rear garden of the host property and do not feature prominently in the public realm . The proposed works are reasonable and necessary in order to make full use of the garden and to improve the appearance of the small apple tree.

The works will not adversely affect the health or condition of the subject trees nor diminish the contribution that they make to the character or appearance of the conservation area .

Decision - No objection.
