AF	CAE + add CAF for this purpose	Cann Hall	Cann Hall Primary School	Un-parished	Cann Hall	Clacton North	Clacton North	Clacton	4766	Yes	Yes	Yes		Cann Hall Ward is a single Polling District. Consideration can be given to dividing the Ward into two Polling Districts using the St Johns Road (B1027) as the boundary between the two. A suitable Polling Station Venue would be required south of that boundary; but within the Ward boundary.	There is a natural advantage in creating two separate polling stations in Cann Hall ward with the common boundary being the middle of St John's Road. However, it has not been possible to identify a suitable polling station venue within Cann Hall Ward south of St John's Road. Consideration has been given to the Fire station on St John's Road, the retirement complex off Cloes Lane and open space between Bromley Close and Hamstead Avenue. All of these potential sites were problematic for their own reasons. We will continue to monitor the situation and should a suitable venue be identified, the Returning Officer will be recommended to utilise it.	Yes	No

Views on these two locations are invited.	This building is located on the corner of Old Road and entrance road to the Co-Op car park. This is part of St James Ward and therefore outside of the required boundary for the district ward and the county electoral division. Accordingly, it is not proposed to utilise this venue for electors in Coppins ward.	Yes	No

An alternative suitable Polling Station Venue would be required within the Ward and suggestions for such a venue are particularly welcomed as part of this second element of the review.	Soken House is already being used as a polling station venue for the Frinton Ward in which the venue is located. By implication, Soken House is not in Kirby Cross ward and as a consequence it is not proposed to use Soken House for voters in Kirby Cross. The Baker Hall is centrally located for the ward of Kirby Cross and is accessible for pedestrians while the surface of the car park would not meet full accessibility requirements, on street parking is available and the Presiding Officer is provided with a blue badge parking on polling day sign for placing adjacent to the highway. We remain open to alternative accessible venues within the ward. One venue that could be suitable would be Kirby Primary Academy although it is not proposed to utilise that school site at this point in time.	Yes	Yes

This location is both accessible and central to the ward and provides a good venue for voting purposes. A temporary unit in the Hamford School car park is being explored with the landowners (Taylor Wimpey). This alternative would negate the need to use the actual school site.
