

Officer Report

19 November 2024

The tree is a mature healthy specimen situated to the front of the property and making a positive contribution to the character and appearance of the area.

The proposal to crown lift the tree by approximately 2 m is reasonable and necessary in order to provide safe clearance beneath the canopy of the tree .

The proposed works will not adversely affect the health or condition of the tree nor diminish the contribution that it makes to the amenity of the locality .
