Subject: CLC Sports Hall and Pool Hall Seating Remedial Works

Dear Clr Stephenson and Clr Barry,

I hope this email finds you well.

During to a recent report, the inspectors has identified increasing gaps within both the Sports Hall and Swimming Pool Hall seating, this is due to age and natural movement, as well as non-confirming conditions of some of the fixings and seating brackets (due to wear and tear). All Safety related works must be conducted for the seating system to receive certification. This certificate is issued in-line with P.U.W.E.R regulations and may also be used to satisfy insurance requirements.

As you may be aware on 21st October 2024 as part of Cabinet meeting - Cabinet Members' Items - Report of the Corporate Finance & Governance Portfolio Holder. Cabinet approved the proposed adjustments to the 2024/25 budget, as set out in Appendix 1H to the Portfolio Holder's report (A.2), the report approved the budget adjustments of £79,000 granted for repairs and maintenance for Clacton Leisure Centre which a proportion is allocated to fund Clacton Leisure Centre, Spectator Seating Repairs.

As such we are seeking a concurrence and exemption from procurement to proceed with this urgent work.

I would be grateful if you could kindly review these documents and provide your concurrence via email at your earliest convenience.

I look forward to hearing from you shortly.

Many Thanks,

Kieran Charles, BA Hons, MCIMSPA
