Good afternoon all,

Apologies for the delay, there has been a lot going on.

I am happy to digitally sign off on this now and will do a paper version when I am next in the office.

Kind regards

Mark

Afternoon Cllr Stephenson,

I hope this email finds you well. Following my voicemail, I thought I would drop you a note to see if you have had an opportunity to consider the attached report and decision. If you could be so kind as to provide your concurrence via email, I can then look to publish the decision accordingly.

Thank you very much for your time and assistance.

Many Thanks,

Hi Mark,

Many thanks for your time earlier on.

As discussed, please find attached a report and decision sheet in your name, to agree the additional £156,000 required to fully fund the project to purchase and install new Air Handling and Building Management Units at Walton on the Naze Lifestyles. The urgency procedure is being used, to ensure the project can move forward at pace and protect the £94,500 from Sport England by spending it prior to the deadline of 31 March 2025.

I have sent a separate email to Cllr Honeywood as Chair of the Resources and Services Committee, to request he authorise use of the special consent procedure to exempt this matter from the Forward Plan. Subject to agreement from both of you, Kieran will publish this decision tomorrow, as I will be out of the office. If you are able to copy in Kieran and Lee to your response it would be really appreciated.

Kind regards,
