**PART 3 – SUPPORTING INFORMATION**

**ANNUAL AUDIT LETTER FOR THE YEAR ENDED 31 MARCH 2017**

There are a number of different strands of external audit work undertaken during the year such as specific activity in relation to the financial statements and value for money opinion. The outcomes from these activities are reported to the Council separately as they are completed during the year. The Annual Audit Letter is effectively an end of year report for the Council which captures and summarises these outcomes in one document. It is primarily directed to Members but it must also be made available as a public document.

The **Annual Audit Letter** relating to 2016/17 is attached, with no significant concerns raised. Risks highlighted in connection with financial resilience / sustainability and the Garden Communities project were included within last year’s Annual Governance Statement with on-going updates provided to the Committee as part of a separate report elsewhere on the agenda.

External Audit has highlighted two issues for consideration in the future which are set out on page 24 of the attached. Responses to both issues form part of the work currently being undertaken to close the accounts and produce the Statement of Accounts for 2017/18 by the required deadlines.
