Application: 25/00111/FULHH **Town / Parish:** Frating Parish Council

Applicant: Mr Thomas Swahn

Address: Vine Cottage Haggars Lane Frating

Development: Householder Planning Application - Garage conversion to ancillary living accommodation.

1. Town / Parish Council

Frating Parish Council No objections raised.

2. Consultation Responses

No consultations required for the assessment of this application

3. Planning History

| | | | |
|--------------|--|----------|------------|
| 01/00435/FUL | Demolish garage. New double garage with utility and store, toilet, lobby, porch and 1.8m high brick wall | Approved | 24.05.2001 |
| 07/00851/FUL | Dropped kerb. | Refused | 26.07.2007 |
| 08/01490/FUL | Erection of bungalow. | Refused | 12.01.2009 |
| 09/00095/FUL | Demolition of existing barn structure and erection of a two bedroom bungalow. | Refused | 15.04.2009 |

4. Status of the Local Plan

Planning law requires that decisions on applications must be taken in accordance with the development plan unless there are material considerations that indicate otherwise (Section 70(2) of the 1990 Town and Country Planning Act and Section 38(6) of the Planning and Compulsory Purchase Act 2004). This is set out in Paragraph 2 of the National Planning Policy Framework (the Framework). The 'development plan' for Tendring comprises, in part, Sections 1 and 2 of the Tendring District Local Plan 2013-33 and Beyond (adopted January 2021 and January 2022, respectively), supported by our suite of evidence base core documents (<https://www.tendringdc.uk/content/evidence-base>) together with any Neighbourhood Plans that have been made and the Minerals and Waste Local Plans adopted by Essex County Council.

5. Neighbourhood Plans

A neighbourhood plan introduced by the Localism Act that can be prepared by the local community and gives communities the power to develop a shared vision for their area. Neighbourhood plans

can shape, direct and help to deliver sustainable development, by influencing local planning decisions as part of the statutory development plan to promote development and uphold the strategic policies as part of the Development Plan alongside the Local Plan. Relevant policies are considered in the assessment. Further information on our Neighbourhood Plans and their progress can be found via our website <https://www.tendringdc.uk/content/neighbourhood-plans>

At the time of writing, there are no draft or adopted neighbourhood plans relevant to this site.

Essex County Council Car Parking Standards - Design and Good Practice

7. Officer Appraisal (including Site Description and Proposal)

Application Site

The application site comprises of a single storey detached property with a joined garage. The site is located to the west of Haggars Lane and the north of Main Road. The site is within the Settlement Development Boundary of Frating.

Proposal

The application seeks planning permission for the proposed garage conversion to ancillary living accommodation.

Assessment

1. Visual Impact

Vine Cottage is set back from Main Road and is accessed by a small driveway off Haggars Lane. The property is obscured from view on Main Road due to a tall fence and well-established hedgerow. The view of the property from Haggars Lane is limited due to the property being set back and obscured by the neighbouring property known as Jatone. The most visible part of the property is the garage that is to be converted. The conversion of the garage includes the replacement of the garage door with a new window to the front elevation. This may be partially seen from the street scene of Haggars Lane. The use of matching materials will help the conversion blend effortlessly with the existing property.

The footprint of the garage will not be changed by the conversion.

2. Impact to Neighbours

The proposed conversion is mainly internal works so will not cause a loss of light, outlook or amenity to the neighbouring properties.

The conversion includes a new window to the front elevation, replacing the existing garage door, this will overlook the applicant's driveway and front garden. This will not cause a loss of privacy to the neighbouring properties.

The proposal also includes the removal of a window to the rear elevation of the garage which will be replaced with a new window slightly further over. This new window will face towards the neighbouring property known as Carron; however, this will not cause a significant loss of privacy due to the 6ft garden fence that runs along the boundary.

3. Ecology and Biodiversity

General duty on all authorities

The Natural Environment and Rural Communities Act 2006 amended by the Environment Act 2021 provides under Section 40 the general duty to conserve and enhance biodiversity: "For the purposes of this section "the general biodiversity objective" is the conservation and enhancement of biodiversity in England through the exercise of functions in relation to England." Section 40 states authorities must consider what actions they can take to further the general biodiversity objective and determine policies and specific objectives to achieve this goal. The actions mentioned include conserving, restoring, or enhancing populations of particular species and habitats. In conclusion for decision making, it is considered that the Local Planning Authority must be satisfied that the development would conserve and enhance.

This development is subject to the general duty outlined above. An informative has been imposed strongly encouraging the applicant to improve the biodiversity of the application site through appropriate additional planting and wildlife friendly features. Therefore, the development on balance, with consideration of the impact of the development and baseline situation on site, is considered likely to conserve and enhance biodiversity interests.

Biodiversity net gain

Biodiversity net gain (BNG) is an approach that aims to leave the natural environment in a measurably better state than it was beforehand. This excludes applications for householders. This proposal is not therefore applicable for Biodiversity Net Gain.

Protected Species

In accordance with Natural England's standing advice the proposed development site and surrounding habitat have been assessed for potential impacts on protected species. It is considered that the proposal is unlikely to adversely impact upon protected species or habitats.

Conclusion

In accordance with the overarching duty outlined above, this development is considered to accord to best practice, policy, and legislation requirements in consideration of the impacts on ecology interests.

Other Considerations

The garage conversion will result in some loss of parking provision on site; however, the site contains adequate off street parking to the front of the property to meet the needs of the development.

Frating Parish Council have raised no objections to the application.

Conclusion

The proposed development is consistent with the above mentioned national and local planning policies. In the absence of material harm, the proposal is recommended for approval.

8. Recommendation

Approval - Full

9. Conditions

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard (except for Listed Building Consents).

Drawing No.s

2423-01-

2423-02-

2423-04-

2423-03-

REASON: For the avoidance of doubt.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be

considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

3 SPECIFIC RESTRICTION ON DEVELOPMENT: OCCUPATION

CONDITION: This permission shall only authorise the use and occupation of the accommodation hereby approved for purposes incidental and ancillary to the principal dwelling known as Vine Cottae, Haggars Lane (or as may be renamed in the future) and does not permit the use of the approved accommodation as a separate household unrelated and not incidental/ancillary to the principal dwelling.

REASON: The proposed annexe would not be acceptable under the established policies of Local Plan and NPPF by representing a net increase in dwelling units were the development to be occupied as an unrelated dwelling and not considered as one household. Furthermore, having regard to its particular relationship with the principal dwelling, there is potential for noise, activity and disturbance detrimental to the amenity of that principal dwelling were the development to be occupied as an unrelated dwelling.

NOTE/S FOR CONDITION

Unless otherwise stated, this condition applies to the site outlined in red and to all new development that forms any net increase in residential accommodation and may include change of use of buildings, change of use of land for the siting of caravans or similar, new buildings and extensions.

10. **Informatives**

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

Ecology Informative

In accordance with the Council's general duty to conserve and enhance biodiversity, you are strongly encouraged to improve the biodiversity of the application site through appropriate additional planting and wildlife friendly features. Suggested enhancements could include:

<https://www.rhs.org.uk/wildlife/in-the-garden/encourage-wildlife-to-your-garden>

11. **Equality Impact Assessment**

In making this recommendation/decision regard must be had to the public sector equality duty (PSED) under section 149 of the Equality Act 2010 (as amended). This means that the Council must have due regard to the need in discharging its functions that in summary include A) Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act; B. Advance equality of opportunity between people who share a protected characteristic* (See Table) and those who do not; C. Foster good relations between people who share a protected characteristic* and those who do not, including tackling prejudice and promoting understanding.

It is vital to note that the PSED and associated legislation are a significant consideration and material planning consideration in the decision-making process. This is applicable to all planning decisions including prior approvals, outline, full, adverts, listed buildings etc. It does not impose an obligation to achieve the outcomes outlined in Section 149. Section 149 represents just one of several factors to be weighed against other pertinent considerations.

In the present context, it has been carefully evaluated that the recommendation articulated in this report and the consequent decision are not expected to disproportionately affect any protected characteristic* adversely. The PSED has been duly considered and given the necessary regard, as expounded below.

| Protected Characteristics * | Analysis | Impact |
|--|---|---------|
| Age | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Disability | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Gender Reassignment | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Marriage or Civil Partnership | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Pregnancy and Maternity | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Race (Including colour, nationality and ethnic or national origin) | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Sexual Orientation | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Sex (gender) | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |
| Religion or Belief | The proposal put forward will not likely have direct equality impacts on this target group. | Neutral |

12. Notification of Decision

| | |
|---|----|
| Are there any letters to be sent to applicant / agent with the decision? If so please specify: | NO |
| Are there any third parties to be informed of the decision? If so, please specify: | NO |
| Has there been a declaration of interest made on this application? | NO |
