

Officer Report

10 March 2025

The works set out in the application form all relate to trees situated in the highway and under the control of Essex County Council .

The proposed works are relatively minor crown reduction work and are necessary in order to ensure that the trees do not become a nuisance for users of the highway and in order to control them at a size and scale proportionate to their location .

The proposed works will not adversely affect the condition of the trees nor diminish the contribution that they made to the character and appearance of the conservation area.

Decision - No objection
