Application:	25/00324/FULHH	Expiry Date:	7th May 2025
Case Officer:	Jaye Jacobs		
Town/ Parish:	Clacton Non Parished		
Applicant:	Miss Bonnie-May Smith		
Address:	61 Colchester Road Holland On Sea CO15 5DG		
Development:	Householder Planning Application - Rear extension with flat roof.		

1. Executive Summary

- 1.1 The application is brought to Planning Committee as the property is owned by a staff member of Tendring District Council.
- 1.2 The application seeks planning permission for the proposed flat roof rear extension.
- 1.3 The extension will be sited to the rear of the property and is deemed to be of an acceptable size, scale and appearance with no significant adverse effects on the visual amenities of the area.
- 1.4 The extension will be single storey with a flat roof so poses no significant threat of loss of light, privacy, outlook or amenity.

Recommendation: Approval

- 1) That the Head of Planning and Building Control be authorised to grant planning permission subject to the conditions as stated at paragraph 10.2, or varied as is necessary to ensure the wording is enforceable, precise, and reasonable in all other respects, including appropriate updates, so long as the principle of the conditions as referenced is retained; and,
- 2) The informative notes as may be deemed necessary.

2. Status of the Local Plan

Planning law requires that decisions on applications must be taken in accordance with the development plan unless there are material considerations that indicate otherwise (Section 70(2) of the 1990 Town and Country Planning Act and Section 38(6) of the Planning and Compulsory Purchase Act 2004). This is set out in Paragraph 2 of the National Planning Policy Framework (the Framework). The 'development plan' for Tendring comprises, in part, Sections 1 and 2 of the Tendring District Local Plan 2013-33 and Beyond (adopted January 2021 and January 2022, respectively), supported by our suite of evidence base core documents

3. Neighbourhood Plans

A neighbourhood plan introduced by the Localism Act that can be prepared by the local community and gives communities the power to develop a shared vision for their area. Neighbourhood plans can shape, direct and help to deliver sustainable development, by influencing local planning decisions as part of the statutory development plan to promote development and uphold the strategic policies as part of the Development Plan alongside the Local Plan. Relevant policies are considered

in the assessment. Further information on our Neighbourhood Plans and their progress can be found via our website <https://www.tendringdc.uk/content/neighbourhood-plans>

At the time of writing, there are no draft or adopted neighbourhood plans relevant to this site.

5. Relevant Planning History

25/00324/FULHH Householder Planning Application - Rear Current
extension with flat roof.

6. Consultations

6.1 No consultations are required to determine this application.

7. Representations

7.1 Holland on Sea is non parished and therefore comments of this nature are not expected.

7.2 There have been no letters of representation received.

8. Assessment

Application Site

8.1 The application site comprises of a single storey detached bungalow located to the north west of Colchester Road. The site is within the Settlement Development Boundary.

Proposal

8.2 The application seeks planning permission for the proposed flat roof rear extension.

Visual Impact

- 8.3 The proposed extension is located to the rear of the property and is unlikely to be seen from the street scene of Colchester Road. The site currently has a conservatory to the rear, this will be removed to enable the extension to be built. The extension will then extend off the original dwelling.
- 8.4 The host dwelling is finished with a cream coloured render, the proposal will use the same finish to ensure that the extension blends effortlessly with the existing property.
- 8.5 The extension will have a maximum height of 2.999 metres and a maximum depth of 4.4 metres using the whole width of the property. This will create a rear elevation that will be all in line.
- 8.6 The application site can comfortably accommodate for the extensions whilst retaining adequate private amenity space. It is therefore deemed to be of an acceptable size, scale and detailed design.
- 8.7 The proposed extension is considered a suitable enlargement of the bungalow which does not result in a harmful impact to the appearance or character of the host dwelling or street scene.

Impact to Neighbours

- 8.8 The proposed extension is of a single storey nature located to the rear of the property. It does not have any openings to the side elevations so will not cause overlooking or loss of privacy to the neighbouring dwellings.
- 8.9 The extension includes a flat roof so will not cause a loss of light or amenity to the neighbouring properties.
- 8.10 The property features a low boundary fence to the east side of the rear garden, this will mean that the proposed extension will be more visible to the neighbouring dwelling on this side. The neighbouring property also features its own extension, the proposal does not extend beyond the neighbour's extension. The low fence can be changed for a 6ft garden fence under Permitted Development which would increase the privacy to the neighbours if required.

Ecology and Biodiversity

General duty on all authorities

- 8.11 The Natural Environment and Rural Communities Act 2006 amended by the Environment Act 2021 provides under Section 40 the general duty to conserve and enhance biodiversity: "For the purposes of this section "the general biodiversity objective" is the conservation and enhancement of biodiversity in England through the exercise of functions in relation to England." Section 40 states authorities must consider what actions they can take to further the general biodiversity objective and determine policies and specific objectives to achieve this goal. The actions mentioned include conserving, restoring, or enhancing populations of particular species and habitats. In conclusion for decision making, it is considered that the Local Planning Authority must be satisfied that the development would conserve and enhance.
- 8.12 This development is subject to the general duty outlined above. An informative has been imposed strongly encouraging the applicant to improve the biodiversity of the application site through appropriate additional planting and wildlife friendly features. Therefore, the development on balance, with consideration of the impact of the development and baseline situation on site, is considered likely to conserve and enhance biodiversity interests.

Biodiversity net gain

- 8.13 Biodiversity net gain (BNG) is an approach that aims to leave the natural environment in a measurably better state than it was beforehand. This excludes applications for householders. This proposal is not therefore applicable for Biodiversity Net Gain.

Protected Species

- 8.14 In accordance with Natural England's standing advice the proposed development site and surrounding habitat have been assessed for potential impacts on protected species. It is considered that the proposal is unlikely to adversely impact upon protected species or habitats.
- 8.15 In accordance with the overarching duty outlined above, this development is considered to accord to best practice, policy, and legislation requirements in consideration of the impacts on ecology interests.

9. Conclusion

- 9.1 The proposed development is consistent with the above mentioned national and local planning policies. In the absence of material harm, the proposal is recommended for approval.

10. Recommendation

- 10.1 The Planning Committee is recommended to grant planning permission subject to the following conditions.

10.2 Conditions and Reasons

1 COMPLIANCE REQUIRED: COMMENCEMENT TIME LIMIT

CONDITION: The development hereby permitted shall be begun not later the expiration of three years from the date of this permission.

REASON: To comply with the requirements of Section 91 of the Town and Country Planning Act 1990 as amended by Section 51 of the Planning and Compulsory Purchase Act 2004.

NOTE/S FOR CONDITION:

The development needs to commence within the timeframe provided. Failure to comply with this condition will result in the permission becoming lapsed and unable to be carried out. If commencement takes place after the time lapses this may result in unlawful works at risk Enforcement Action proceedings. You should only commence works when all other conditions requiring agreement prior to commencement have been complied with.

2 APPROVED PLANS & DOCUMENTS

CONDITION: The development hereby permitted shall be carried out in accordance with the drawings/documents listed below and/or such other drawings/documents as may be approved by the Local Planning Authority in writing pursuant to other conditions of this permission or such drawings/documents as may subsequently be approved in writing by the Local Planning Authority as a non-material amendment following an application in that regard (except for Listed Building Consents). Such development hereby permitted shall be carried out in accordance with any Phasing Plan approved, or as necessary in accordance with any successive Phasing Plan as may subsequently be approved in writing by the Local Planning Authority prior to the commencement of development pursuant to this condition.

A2022/10/03

REASON: For the avoidance of doubt and in the interests of proper phased planning of the development.

NOTE/S FOR CONDITION:

The primary role of this condition is to confirm the approved plans and documents that form the planning decision. Any document or plan not listed in this condition is not approved, unless otherwise separately referenced in other conditions that also form this decision. The second role of this condition is to allow the potential process of Non Material Amendment if found necessary and such future applications shall be considered on their merits. Lastly, this condition also allows for a phasing plan to be submitted for consideration as a discharge of condition application should phasing be needed by the developer/s if not otherwise already approved as part of this permission. A phasing plan submission via this condition is optional and not a requirement.

Please note in the latest revision of the National Planning Policy Framework (NPPF) it provides that Local Planning Authorities should seek to ensure that the quality of approved development is not materially diminished between permission and completion, as a result of changes being made to the permitted scheme (for example through changes to approved details such as the materials used). Accordingly, any future amendment of any kind will be considered in line with this paragraph, alongside the Development Plan and all other material considerations.

Any indication found on the approved plans and documents to describe the plans as approximate and/or not to be scaled and/or measurements to be checked on site or similar, will not be considered applicable and the scale and measurements shown shall be the approved details and used as necessary for compliance purposes and/or enforcement action.

10.3 Informatives

Ecology Informative

In accordance with the Council's general duty to conserve and enhance biodiversity, you are strongly encouraged to improve the biodiversity of the application site through appropriate additional planting and wildlife friendly features. Suggested enhancements could include: <https://www.rhs.org.uk/wildlife/in-the-garden/encourage-wildlife-to-your-garden>

Positive and Proactive Statement

The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.

11. **Additional Considerations**

Equality Impact Assessment

- 11.1 In making this recommendation/decision regard must be had to the public sector equality duty (PSED) under section 149 of the Equality Act 2010 (as amended). This means that the Council must have due regard to the need in discharging its functions that in summary include A) Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act; B. Advance equality of opportunity between people who share a protected characteristic* (See Table) and those who do not; C. Foster good relations between people who share a protected characteristic* and those who do not, including tackling prejudice and promoting understanding.

- 11.2 It is vital to note that the PSED and associated legislation are a significant consideration and material planning consideration in the decision-making process. This is applicable to all planning decisions including prior approvals, outline, full, adverts, listed buildings etc. It does not impose an obligation to achieve the outcomes outlined in Section 149. Section 149 represents just one of several factors to be weighed against other pertinent considerations.
- 11.3 In the present context, it has been carefully evaluated that the recommendation articulated in this report and the consequent decision are not expected to disproportionately affect any protected characteristic* adversely. The PSED has been duly considered and given the necessary regard, as expounded below.

Protected Characteristics *	Analysis	Impact
Age	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral
Disability	The proposal put forward will not likely have direct equality impacts on this target group.	Neutral

Human Rights

- 11.4 In making your decision, you should be aware of and take into account any implications that may arise from the Human Rights Act 1998 (as amended). Under the Act, it is unlawful for a public authority such as the Tendring District Council to act in a manner that is incompatible with the European Convention on Human Rights.
- 11.5 You are referred specifically to Article 8 (right to respect for private and family life), Article 1 of the First Protocol (protection of property) and Article 14 (right to freedom from discrimination).
- 11.6 It is not considered that the recommendation to grant permission in this case interferes with local residents' right to respect for their private and family life, home and correspondence or freedom from discrimination except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation to grant permission is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

Finance Implications

- 11.7 Local finance considerations are a matter to which local planning authorities are to have regard in determining planning applications, as far as they are material to the application.

12. Declaration of Interest

- 12.1 Please refer to the minutes of this meeting, which are typically available on the councils website which will be published in due course following conclusion of this meeting.

13. Background Papers

- 13.1 In making this recommendation, officers have considered all plans, documents, reports and supporting information submitted with the application together with any amended documentation. Additional information considered relevant to the assessment of the application (as referenced within the report) also form background papers. All such information is available to view on the planning file using the application reference number via the Council's Public Access system by following this link <https://idox.tendringdc.gov.uk/online-applications/>.
