Dear Cllr. Barry,

I hope this email finds you well.

As you are aware, our Sports and Leisure employees are expected to stay physically fit and healthy to effectively perform their duties and maintain their qualifications. Regular physical activity is crucial for maintaining the high standards required in their roles, ensuring they can perform their duties efficiently and safely. It is also essential for them to be in good condition when renewing their qualifications, as physical fitness is often a prerequisite for certification.

As such, this concurrence is for the Sport & Leisure Staff to have complimentary access to mainstream activities. This access will help them sustain the necessary fitness levels, support their professional development, and enable them to effectively promote the benefits of a healthy lifestyle to the public.

I would be grateful if you could kindly review these documents and provide your concurrence via email at your earliest convenience. Alternatively, if you would like further detail, we can discuss this at tomorrow's meeting.

I look forward to hearing from you shortly.

Kieran
