

Officer Report

8 May 2025

A large and mature tree with a dense healthy canopy situated on the boundary of Broadlands adjacent to Frinton Lawn Tennis Club .

The tree has been previously pollarded and the photograph submitted in support of the application shows a heavily decayed limb growing towards the adjacent tennis club .

The proposal to re-pollard the tree is reasonable and necessary in order to contain it at a size and scale proportionate to its location .

The proposed works will not adversely affect the health or condition of the tree nor diminish the contribution that it makes to the character appearance of the conservation area .
